ALL SMILES IN UNDERWOOD

Alan Klein and Philip Leberherz's multiple Grade I winner **Smiling Tiger** (Hold That Tiger) parlayed a perfect stalking trip into his first victory in 17 months yesterday with a one-length score over game pacesetter **Private Zone** (Macho Uno) in Betfair Hollywood Park's GIII Vernon O. Underwood S. Late-running **Capital Account** (Closing Argument) overcame a tardy start to complete the trifecta. Smiling Tiger was content to tuck in at the rail in fourth early as the speedy Private Zone posted splits of :22.84 and :46.34 while pestered by **Smash** (Smart Strike) and **Comma to the Top** (Bwana Charlie). Pilot Rafael Bejarano maneuvered his mount out into the

clear at the top of the lane, and he bounded clear to a convincing if overdue success. "I knew [Private Zone and Smash] were going to the lead, so I just wanted to make sure my horse broke well because sometimes he doesn't," explained Bejarano. "Once I broke well, I was just waiting and waiting on the outside until the stretch. The outside of the track has been better, so it worked out really well." Cont. p3

JAPAN CUP DIRT IS OURS'

Hyakutaro Kobayashi's **Nihonpiro Ours** (Jpn) (White Muzzle {GB}) scored his first Group 1 victory in impressive record-setting fashion in the Japan Cup Dirt at Hanshin Sunday. **Wonder Acute** (Jpn) (Charismatic) filled the same slot he did last year to be second, while longshot **Hokko**

Nihonpiro Ours

Japanracing.jp

Tarumae (Jpn) (King Kamehameha {Jpn}) completed the trifecta. **Espoir City** (Jpn) (Gold Allure {Jpn}) and **Transcend** (Jpn) (Wild Rush), winners of the last three Japan Cup Dirts between them, could do no better than 10th and 16th, respectively. Let go at 17-1, Nihonpiro Ours broke from the 14 hole and cruised along four wide in fourth as Espoir City set a hot pace and Hokko Tarumae and Transcend ran together in second. Wonder Acute was content to track behind Nihonpiro Ours in fifth. As the field rounded the final turn, Hokko Tarumae ranged up to take command and held a narrow advantage over Nihonpiro Ours at the top of the lane. Nihonpiro Ours responded to urging by jockey Manabu Sakai, quickly leaving Hokko Tarumae behind and surging home in the final furlong to finish the about nine-furlong contest 3 1/2 lengths clear in 1:48.80, breaking the previous record set by Transcend in 2010. Ninth in last year's edition of this race, Nihonpiro Ours racked up wins in the Nagoya Daishoten and Hakusan Daishoten this season. Most recently, he was second to Roman Legend (Jpn) (Special Week {Jpn}) in the G3 Miyako S. "From the first time I mounted the horse, I knew that he had the ability to perform well in big races," said winning rider Manabu Sakai. "All the staff had put great effort in preparing the horse for this big day, and I just had to bring out the best in the horse today. I was able to settle the horse in good position towards the front while keeping an eye on the two strong horses racing in front. My mount responded willingly until the last furlong and showed a strong performance. I'm just grateful to the connections in trusting me with the horse and to all the fans that supported us."

to a breathing problem after that run, the 5-year-old

reports and a 4-3-0-0 record over the strip pushed the

3-1 shot on the morning line down to 8-5.

"He took a little break and came back for the big race," explained trainer Jeff Bonde. "He wheeled right back and trained great for this race. As a 2-year-old he had a throat issue. We did a procedure on him and it lasted 2 1/2 years, so you can't really cry about it. It fell apart on us at Betfair Hollywood Park in his last start and we had to do it again. [Owners Alan Klein and Philip Leberherz] said we had to make the Breeders' Cup and we did. We'll try to space his races because we're hoping to take him to Dubai."

Consigned by Cheveley Park Stud Ltd

From the prized Cheveley Park draft is the 2000 G1 Cheveley Park S. winner Regal Rose, whose career was interrupted by injury before she could show her true potential. She is now the dam of last year's G3 Prestige S. scorer Regal Realm (GB) (Medicean {GB}), who returned this term to add the G3 Oak Tree S. to her tally and she is sold with a coveted Pivotal (GB) covering.

The 2005 G2 Ribblesdale S. runner-up Twyla Tharp needs no introduction as the dam of this year's distaff sensation The Fugue (GB) (Dansili {GB}). Aside from her impressive success in the G1 Nassau S., the Lord Lloyd-Webber's homebred has also gone close in the G1 Epsom Oaks, G1 Yorkshire Oaks and G1 Breeders' Cup Filly and Mare Turf and, had circumstances been more favorable, she would arguably have been a multiple Group 1 winner by now. A gilt-edged opportunity on the opening day, the immediate relative of top-level scorers Summoner (GB) (Inchinator {GB}) and Compton Admiral (GB) (Suave Dancer) is sold in foal to the sought-after Oasis Dream (GB).

Game on Dude Fine After Native Diver Victory...

Mike Marlow, assistant trainer to Bob Baffert, reported yesterday that **Game on Dude** (Awesome Again) exited Saturday's victory in the GIII Native Diver S. at Betfair Hollywood Park in good shape. "I thought he was impressive," Marlow said. "He was tested all the way. Mike Smith's move on the first turn was a key factor in the race." Marlow said that Game on Dude would likely ship to Santa Anita from Betfair Hollywood Park today. According to Baffert, the next target for the 5-year-old gelding will be the GII San Antonio S. at Santa Anita Feb. 3.

RACETRACK ROUND-UP

Black Caviar on the Comeback Trail...

Australian Horse of the Year **Black Caviar (Aus)** (Bel Esprit {Aus}), the world's highest-rated sprinter, has resumed training, according to trainer Peter Moody.

Black Caviar
Horsephotos

Moody noted that the 6-year-old mare, who is undefeated in 22 starts and was last seen taking the G1 Diamond Jubilee S. at Royal Ascot in June, has begun light work with pre-trainer Peter Clarke. "She's been back with Peter for five weeks now, where she's done three weeks work followed by two weeks off that she completes today," Moody told *The Australian* Saturday. Black Caviar will spend an additional five weeks with Clarke before rejoining Moody's stable at Caulfield Racecourse near Melbourne. The immediate

goal for the dark bay mare is the G1 Lightning S. at Flemington Racecourse Feb. 16, which she has won the past two seasons. Moody noted, however, that if he feels Black Caviar will not return to her best form, she could still be retired. "We're very happy with her but obviously extremely cautious of the situation we are in with her, that we don't want to see her beaten now," Moody explained. "We certainly won't hesitate to retire her along the way, but I'm hopeful that we do get her back to the track in the great form that she's shown all along."

FINK RECEIVES JOHN DEERE AWARD

Morton Fink, owner and breeder of GI Breeders' Cup Mile winner Wise Dan (Wiseman's Ferry), was awarded the 2012 John Deere Award for outstanding breeder of the Breeders' Cup Challenge Series and Breeders' Cup World Championships. The award, presented by Breeders' Cup Limited and NTRA Advantage, is based on a point system of first-place finishes in Breeders' Cup Challenge and World Championship races. "I'm very proud to win this award," noted Fink. "I've been in the business for more than 40 years and it's a major miracle when you breed and race a horse like Wise Dan. I bought [his dam] Lisa Danielle for \$29,000 and she won all of one race in her career. Wiseman's Ferry's stud fee was \$1,000, so there are no words to describe when something like this happens. With a few distractions, everything has worked out perfectly." Owners Ken and Sarah Ramsey won last year's inaugural John Deere Award.

TOBY'S CORNER TO STAND IN JAPAN

According to published reports, 2011 GI Wood Memorial S. victor **Toby's Corner** (Bellamy Road--Brandon's Ride, by Mister Frisky) will stand at Hidaka Stallion Station in Japan. The 4-year-old won five races in his career and racked up \$928,240 in earnings for owner/breeder Diane Cotter.

Bahamian Squall, a debut maiden winner over this track last February, was beaten just a neck when second in the Nov. 10 Jack Dudley Sprint H. at Calder last time out. Never far back, the dark bay colt snuck through an opening along the rail to take the lead into the stretch and powered clear to his first stakes victory. "He just came into the race really, really good," commented trainer David Fawkes. "The last time when we ran him, he finished second to [Close It Out]. I think he made the lead early and he got a little lost," Fawkes said. "[Luis] Saez kept him busy today. He did a really nice job." Fawkes added that the Jan. 19 Sunshine Millions Sprint was a likely goal for Bahamian Squall. Donald Dizney, who won last year's Gill Mr. Prospector S. with Bahamian Squall's three-quarter brother Apriority, was on hand at Gulfstream to celebrate his newest stakes winner. "It has been a really nice family," Dizney said. "We have a grin every time we get a win out of them. Hopefully, we can keep it up. We bred the mare [Midway Squall] this year to my stallion First Dude, so we're anxious to see how that one turns out." Dizney's Double Diamond Farm purchased Midway Squall, carrying future stakes winner Squall City (Carson City), for \$100,000 out of the 1997 Keeneland January sale. He went to the sidelines after runner-up efforts in the GII King Edward S. and GII Nijinsky S. last summer. Back in action here, the chalk set the pace, lengthened his lead at the top of the lane and held sway. "He was just good enough that he didn't have to be [at his best], but they ran really fast too," said trainer Ian Black. "He's a very good horse, that's the bottom line." As for what is next for Fifty Proof, Black added, "He'll go to Florida soon and we'll look at some turf races. He's trained on the dirt, but he's never run on it. He's a very good 'Poly' horse, but he loves the turf." [Click for the brisnet.com chart or Video, sponsored by Taylor Made Sales.](#)
