I'll Have Another (Flower Alley) provided a lifetime of memories for owner J. Paul Reddam, trainer Doug O'Neill and jockey Mario Gutierrez earlier this spring, and the group looks primed to go on another run with GI Breeders' Cup Juvenile runner-up **He's Had Enough** (Tapit) in today's GI CashCall Futurity S. at Betfair Hollywood Park. The Del Mar debut winner only beat two home in the GI Dixiana

Breeders' Futurity at Keeneland Oct. 6, but returned with a career-best when switched to dirt with a troubled runner-up finish to likely champion Shanghai Bobby (Harlan's Holiday) in the big one at Santa Anita. Hall of Fame trainer Bob Baffert has won three out of the last four of these and will be well represented with a quartet of runners, including seven-furlong GIII Hollywood Prevue S. winner **Really Mr Greely** (Horse Greeley). The silver-haired conditioner has also entered **Title Contender** (Pulpit), a disappointing eighth in the Juvenile after setting a fast pace; Real Quiet S. victor **Carving** (Any Given Saturday); and grassy GIII Generous S. winner **Den's Legacy** (Medaglia d'Oro). Trainer Todd Pletcher ships in the promising **Violence** (Medaglia d'Oro) from New York. A narrow debut winner at Saratoga, the Black Rock colorbearer resurfaced with a good-looking two-length decision in the GII Nashua S. going a one-turn mile at the Big A Nov. 4. **Cont. p3**

LONG-TERM DEAL REACHED IN MARYLAND

A 10-year agreement for sustained racing at Pimlico Race Course and Laurel Park has been reached by the Maryland Jockey Club, the Maryland Thoroughbred Horsemen's Association and the Maryland Horse Breeders Association, it was announced Friday. The 2013 racing season will feature 146 days of live racing, and the deal also calls for Pimlico and Laurel to remain open for year-round racing, training and stabling for the balance of the contract. "I am confident and pleased via this agreement," Stronach Group Chairman Frank Stronach commented.

pre-eminence in North American racing." Maryland Jockey Club President Tom Chuckas added, "We created a plan that benefits everyone and develops a sustainable model for the future. I would like to thank Governor Martin O'Malley for his continued support of the industry. We appreciate

his involvement two years ago which set up the framework for this deal. We appreciate Maryland Racing Commissioners John McDaniel and Bruce Quade for their commitment as well as the leadership from the MTHA and MBHA for working with us to make this happen." The parties will ask the Maryland Racing Commission to approve 2013 racing dates at their monthly meeting Dec. 18.

INDY POINT HEADS COMPETITIVE PELLEGRINI

Today's G1 Gran Premio Carlos Pellegrini, over 1 1/2-miles on the turf at San Isidro in Buenos Aires, Argentina, features a talented cast of classic competitors facing off against some of the best older horses in South America. Gus-May-Fer Racing Stable's **Indy Point (Arg)** (Indygo Shiner) has garnered 7-2 morning-line favoritism on the merit of his two most recent victories--the G1 Gran Premio Jockey Club over this course Oct. 13, and the G1 Gran Premio Nacional S. at Palermo Nov. 10, the second and third legs of Argentina's Triple Crown. **Big Cazanova (Arg)** (Giant's Causeway) looks to shed maiden status in a lofty spot here, but despite not being a winner, his credentials can hardly be frowned upon. He would be a two-time Group 1 winner if not for Indy Point, having finished second in both the Jockey Club and Nacional. He was also second to that rival in the G2 Miguel Cane S. at Palermo Aug. 18, and collected an additional Grade 1 placing when third in the Montevideo S. at Palermo May 1. **Corsalone (Arg)** (Roman Ruler) was well-beaten by the latter pair when fifth in the Jockey Club, but appeared to enjoy the step up to today's distance in the track and trip G2 Provincia de Buenos Aires last out Nov. 17, romping by five lengths. Brazil will be represented by Classic winners **Gober (Brz)** (Yagli) and **Kara de Birigui (Brz)** (Banking {Arg}). Gover took the G1 Gran Premio Paulista at Cidade Jardim Nov. 11 in his only try over this distance, while 4-year-old Kara de Birigui, winner of last year's G1 Gran Premio Ipiranga Brazilian 2000 Guineas and G1 Gran Premio Jockey Club de Sao Paulo, most recently took a Cidade Jardim allowance by 21 1/4-lengths Nov. 12. Stars of the older cast include **Bogeyman (Arg)** (Editor's Note), who has been off the board just once in five starts this year. His two victories this year are a nine-length score in the G1 Miguel Alfredo Martinez de Hoz going 1 1/4 miles over this strip Feb. 11, and a six-length win in the G3 Porteno S. over this track and trip Apr. 21. He has not been seen since finishing second in the G1 25 de Mayo, also over this track and trip, May 25. The lone American-bred in the field is 7-year-old **Zeide Isaac** (Freud), who invades from Peru. He won the G2 Clasico Almirante Miguel Grau Seminario at Hipodromo de Monterrico Oct. 6, and was most recently fifth, beaten 1 1/4 lengths, in the G2 Clasico Presidente de La Republica Oct. 28.

A multiple champion sire, back on top in 2012.

North America's Champion Sire of 2009 and 2010 tops the earnings table yet again. We thought you'd like to get on board with that.

Also noteworthy is the fact that he has been a "Top 4" sire every year since his first crop were 3-year-olds in 2006.

And what's more, three of his first sons to retire to stud - **SHAMARDAL**, **FOOTSTEPSINTHESAND** and **FIRST SAMURAI** - have all sired Gr.1 winners in 2012.

BC Winner Perfect Shirl to Make Comeback

Charles Fipke's **Perfect Shirl** (Perfect Soul {Ire}), winner of the 2011 GI Breeders' Cup Filly & Mare Turf, is on the comeback trail, according to trainer Roger

Perfect Shirl
Horsephotos

Attfield. The 5-year-old mare has not been seen since finishing eighth as the favorite in the GIII Very One S. at Gulfstream Park Feb. 25 in her only appearance since her Breeders' Cup victory. "She got injured after that race, a condylar fracture in her right foreleg," Attfield said. "They put three screws in the leg. I had hoped to get her back to the Breeders'

Cup again this year, but I just ran out of time. So then I gave her even more time. She's coming along well now, jogging and galloping. Hopefully, we'll get her back to racing here sometime in February or March." Perfect Shirl is currently training at Attfield's winter base at Payson Park.

 Darley Stable and trainer Kiaran McLaughlin appear to have this race firmly in their grasp with a well-bred coupled entry that sits at 2-5 on the morning line. **LONG RIVER (A.P. Indy)**, a son of GI Breeders' Cup Distaff heroine Round Pond, earned a solid 91 Beyer Speed Figure for a second-out runner-up effort going a mile at Belmont Oct. 13. That heat's winner Delhomme (Dixie Union) returned to finish a close third in the GII Remsen S., while two also-rans have already returned to score impressively.  Eric Kronfeld's **EBLOUISSANTE (Bernardini)** did not disappoint in her much-anticipated debut over track and trip here Nov. 16, earning an 88 Beyer Speed Figure and the 'TDN Rising Star' for her 4 1/4-length off-the-pace score. The half-sister to the great Zenyatta (Street Cry {Ire}) and MGISW Balance (Thunder Gulch) faces a decidedly soft bunch in this attempt to clear another condition before moving on to bigger and better. "She's a little more alert, you might say," trainer John Shirreffs said when asked if the dark bay had moved forward at all off her debut. "The race woke her up a little. I haven't really done much with her since the race. She breezed once and we've just tried to get her to settle down into a nice, calm routine. She's been eating fine and there haven't been any problems." [Brisnet.com PPs](#)

ASCOT TO JOIN RUK IN 2014 Officials at Ascot Racecourse announced yesterday that it will join Racecourse Media Group (RMG), parent company of Racing UK TV, which will be responsible for the dissemination of all racecourse media rights in the UK and overseas beginning in June 2014. Racing will transfer from At The Races to RUK prior to the start of Royal Ascot in 2014. "After careful consideration, we have decided to extend our relationship with RMG, with whom we recently negotiated the terrestrial television contract with Channel 4," said Ascot Chief Executive Charles Bennett. "We have also partnered with the RMG courses since 2007 in the provision of our pictures to betting shops through Turf TV. We have had an excellent and productive relationship with At The Races since 2004 and are most grateful for all they have done for us. Enabling a large percentage of the best British racing to be promoted by one entity and showcased through one broadcaster...should benefit initiatives like the QIPCO British Champions Series." Richard FitzGerald, CEO of RMG, welcomed the decision and sees it as a mutually beneficial arrangement. "As Racing UK is 100% owned by our shareholder racecourses, all profits are reinvested in the sport," he commented. "The agreement will benefit Ascot, RMG racecourses the racing community and the sport as a whole." Officials at At The Races responded in a release, saying, "At The Races is naturally disappointed that Ascot has chosen not to continue its relationship with the company from June 2014, a relationship which goes back to 2004 and which has at all times been conducted on the best of terms. At The Races enjoyed a record year in 2011 and is on track to surpass those achievements in 2012. As a shareholder in the company, as well as a media rights licensor, Ascot is a major beneficiary of this success and, factoring in the company's growth plans going forward, looked set to reap significant further financial returns longer term. No material impact on ATR's profitability is expected as a result of this decision as the company's revenue lines continue to grow and diversify. Ascot's rights accounted for 4% of total ATR revenues in 2011."

THREE VALLEYS TO TURKEY

Juddmonte's 11-year-old sire **Three Valleys** (Diesis {GB}--Skiable {Ire}, by Niniski) has been sold to stand at Selman Tasbek's Tasbek Stud near Istanbul, Turkey. Stripped of the 2003 G1 Middle Park S. after scorching to an eight-length score in that season's G3 Coventry S. at Royal Ascot, the chestnut placed three times at the highest level and also garnered the 2005 GII Del Mar Breeders' Cup H. and the 2006 GIII Oceanport S. at Monmouth. He is the sire of last month's G2 Premio Ribot runner-up Saint Bernard (GB). "We always regret selling any of our stallions, but felt that this was an opportunity for Three Valleys to further his international stud career in Turkey," Banstead Manor Stud's Philip Mitchell told *Racing Post*. "I am sure he will be a great success for his new owner."

TATTERSALLS IRELAND ANNOUNCE PERSONNEL CHANGES

Tattersalls Ireland has announced the appointment of Neil Walsh as its new head of bloodstock sales. The role will include organisation of the company's bloodstock sales, client liaison, and all sales day matters. "Neil's lifelong interest in the bloodstock industry combined with the great experience he acquired during his time at Horse Racing Ireland and The Turf Club give him exactly the right qualifications to be Head of Bloodstock Sales," commented General Manager Roger Casey. "He has been with the company since 2008 and will, I know, continue to provide our clients with the expert and approachable service for which Tattersalls Ireland is renowned." Walsh added, "I am delighted and honored to have been given the position as head of bloodstock sales at Tattersalls Ireland. I am looking forward to developing and growing our sales in accordance with the values that George Mernagh has instilled in the bloodstock team and myself. I look forward to engaging with all our clients in my new role and, as always, the team and I will endeavour to do all we can to help. With 2013 just around the corner there is already an air of optimism in advance of our February Sale and we are equally looking forward to Derby Sale inspections, which will commence early in the New Year." Casey also announced that both Michael Hillman and Martin Mitchell will retire as directors at the end of 2012 after more than three decades with Tattersalls. "I would like to pay tribute to our retiring directors Michael and Martin. Michael has been an invaluable member of the Tattersalls Ireland team since the foundation of Ballsbridge Sales in 1975; and Martin has been a valued member of the board for over 20 years. They have both made significant contributions to Tattersalls Ireland and the wider bloodstock industry and we wish them well for the future."

KEELING APPOINTED CHAIRMAN DESIGNATE OF HRI

Joe Keeling was announced as chairman-designate of Horse Racing Ireland, by the Minister for Agriculture, Food and the Marine, Simon Coveney TD, at the HRI Annual Awards Dec. 10. He will succeed Denis Brosnan once new legislation relating to horse racing is completed, most likely February-March 2013. In announcing the appointment, Minister Coveney recognized Keeling's success in building an international business and described him as a "popular and sure handed" choice to lead the industry. Keeling has a lifelong association with racing and was a Director at Fairyhouse racecourse in the 1990s, and has been a committee member for the last three years. "I very much look forward to becoming Chairman of Horse Racing Ireland as racing is dear to my heart," commented Keeling. "We have a wonderful industry full of wonderful people and I am very excited about the job. Denis Brosnan has done a fantastic job to bring the industry to where it is and the fact that he is staying on to facilitate a transition will be a great help to me." Brosnan added, "I was delighted to learn of the choice of Joe as chairman of Horse Racing Ireland, and am certain that he will make a great success of the position. He has a passion for racing and the success of Keelings is a testament to his business acumen. I will be delighted to help Joe in any way that I can, but I am sure that he will bring his own personal skills and ambitions to the position."
