KOBE'S BACK

T-John Sadler. Lifetime Record: 1-1-0-0, \$60,000.

Last Start: 1st Willard L. Proctor Memorial S. June 15

C R K Stable's **Kobe's Back** ([Flatter](#))--the fourth most expensive juvenile purchased out of this year's OBS March Sale ([video](#))--wasn't much of a secret at first asking, and made his 9-5 odds look like a bargain despite some anxious early moments in Betfair Hollywood Park's Willard L. Proctor Memorial S. June 15 ([video](#)).

Benoit Photo

The handsome gray broke in the air and immediately found himself trailing the field of nine through fractions of :22.18 and :46. With Rafael Bejarano aboard, Kobe's Back began to reach contention while riding the rail on the far turn, but was briefly stalled in traffic once angled out. He quickly found a seam on the extreme

outside entering the stretch, and finished up like a freight train once clear to get the money by an improbable 3 1/4 lengths. The half-brother to GIII Jersey Shore S. hero Well Spelled (Spellbinder) earned a 68 Beyer for the effort.

Sideline since, Kobe's Back returned to the worktab with an easy three-furlong breeze in :36.60 at

Santa Anita Sept. 16.

"Kobe's back working--we wanted to give him time to develop after that race," owner Lee Searing revealed. "All is good, and we should move forward from here. We'll just let him settle into these works, and [trainer] John [Sadler] will come up with a plan for his next race in the near future."

BLONDE FOG

(f, 3, [Divine Park](#)--Betty's Solutions, by Eltish)

*\$37,000 RNA yrl '11 KESEEP;
\$95,000 2yo '12 PEGFEB

O-Dr. DeDomenico & M Pegram;
B-Lavin B'stock & B. Jones (KY);
T-Bob Baffert. Lifetime Record:
2-1-1-0, \$118,200.

Last Start: 2nd GI Hol Starlet Dec. 8

Dr. Mark DeDomenico and Mike Pegram's lightly raced sophomore **Blonde Fog** (Divine Park), off since a courageous runner-up finish in the GI Hollywood Starlet S. Dec. 8 ([video](#)), is nearing a return to the races.

The speedy bay, tabbed as a ☆ **"TDN Rising Star"**

☆ following a powerful 12 1/2-length wire-to-wire debut win over subsequent MGSW & MGISP

Fiftyshadesofhay (Pulpit) going two turns at Santa Anita last October ([video](#)), proved more than ready for the big stage in her next start. Harassed early on the front end in the Starlet, she began to shake clear through a half mile in :47.33, then had to deal with a fresh challenge from two-time

Grade I winner and GI Breeders' Cup Juvenile Fillies runner-up Executiveprivilege (First Samurai). Blonde Fog had no problem putting that classy rival away and kicked on for home nicely, but just couldn't withstand a spectacular last-to-first rally from Pure Fun (Pure Prize), who proved best by a length.

Placed on the shelf thereafter, Blonde Fog has been in steady training since early June. Under the watchful eye of Mike Puhich, she put in eight drills at DeDomenico's Pegasus Training Center in Washington, capped by a six-furlong breeze in 1:15 July 26. Blonde Fog has continued to move forward since rejoining Bob Baffert in Southern California, turning in a pair of five-furlong bullets in Inglewood Sept. 1 and 8. She covered five furlongs in 1:01.20 at Santa Anita most recently Sept. 18.

"We're getting close," Baffert offered without pinpointing an immediate target. "She wasn't moving right, so we turned her out. She's been training very well. We're expecting a big year from her."

Jay Em Ess Stable would be hard-pressed to come up with a better name for **Touchofstarquality** (Mineshaft) if his July 6 unveiling at Belmont Park ([video](#)) was any indication.

Knocked sideways after hitting the left side of the gate at the start, the dark bay sat in next-to-last in seventh through easy fractions of :23.42 and :46.99. Touchofstarquality finally entered the frame as he began to roll on the far turn, and exploded down the lane under a motionless Javier Castellano to inhale impressive next-out winner Silver and Onions (Tiz Wonderful)

(TOUCHOFSTARQUALITY APB cont.)

“He was all ready to run at Saratoga, but came up with a minor issue,” owner Samantha Siegel commented. “He’s on vacation and should be ready to resume training by the end of October.”

Siegel continued, “It was so thrilling to see him win his first start so easily after breaking so slowly. I watched from home and, after the slow start, didn’t see him again until he caught up to the field on the turn for home. I’m looking forward to his return.”

O-Godolphin Racing;

Lifetime Record: 8-4-0-2, \$479,900.

Last Start: 6th GI BC Dirt Mile Nov. 3

Grade I winner **Emcee** (*Unbridled’s Song*), missing in action since a disappointing sixth as the 5-2 favorite in the GI Breeders’ Cup Dirt Mile at Santa Anita Nov. 3, is on the comeback trail.

A game third in last term’s GI Alfred G. Vanderbilt H. at Saratoga, the lightly raced 5-year-old posted a breakthrough victory in that track’s prestigious GI Forego S. Sept. 1 ([video](#)), stopping the clock for seven furlongs in a sparkling 1:21, good for a gaudy 108 Beyer. Trying two turns for the first time in the Breeders’ Cup, the dark bay failed to land a blow after setting a pressured pace.

Produced by a half-sister to GISW Awesome Humor (*Distorted Humor*), the Godolphin colorbearer resurfaced on the worktab with a three-furlong move in :37.20 at Greentree Training Center Sept. 14.

“He’s back and working,” trainer Kiaran McLaughlin said. “He’s a ways away from a race, but he is training well and working weekly now. He went to Dubai and has just needed some time. He’s doing very well right now.”

RACETRACK ROUND-UP

TELESCOPE OPERATION SUCCESSFUL

Highclere Thoroughbred Racing’s **“TDN Rising Star”** **Telescope (Ire)** (*Galileo {Ire}*) has undergone a successful operation to have a chip removed from his near-fore leg, and is now recuperating back at trainer Sir Michael Stoute’s Newmarket base. Last month’s G2 Great Voltigeur S. victor won’t race again this season and will instead be prepared for a 4-year-old campaign. “He’s fine, he’s had the chip removed and he’s back with Sir Michael,” revealed Harry Herbert. “It was a minor operation, but he’s back and we’re very pleased with how it’s all gone. He’ll have an easy time now until, hopefully, an exciting and busy campaign as a 4-year-old.”

CARACORTADO NEARS RETURN

Multiple graded stakes winner **Caracortado** (*Cat Dreams*), sidelined since winning the GIII Daytona S. in January of 2012, is expected to return to the races in the Sept. 27 GIII Eddie D. S. at Santa Anita. The 6-year-old has been battling a persistent problem with the frog in his right front foot. “He had lost that whole frog and it took a lot of time to strengthen and grow out properly,” trainer and co-owner Mike Machowsky said. “It’s never to going to look perfect. There’s always going to be a little deformity to it because of the way it’s grown back. But we’ve been able to string together works and it’s looking good now.” Caracortado won the 2010 GII Robert B. Lewis S. and 2011 GII Del Mar Mile H. He was second in the 2011 GI Frank E. Kilroe Mile and GI Shoemaker Mile and was third in that year’s GI Eddie Read S., as well as the 2010 GI Malibu S. On the board in 14 of 19 starts to date, Caracortado has won nine times and earned \$864,105.

Arc Sale

Saturday 5 October, Saint-Cloud

Lot 16 SUPERPLEX

(Rating 112 / 1800-2000m)
C.10 Multiplex x Salute The Sun
(Fly To The Stars)

In training with Michael Figge this colt lost his maiden tag at the age of two. After a successful reappearance in the le Prix du Pré Catelan (B race) in the spring at Longchamp the three year old colt was aimed at the Prix Greffulhe (**Gr.2**) in which he finished a good fourth. He returned back to winning ways over 1800m on 1 July at Compiègne in the Prix Daphnis (**Gr.3**) where he easily got the better of Pilote, twice placed at Group 2 level since.

Lot 17 OPPOSITE

(Rating 113 / 2000m)
G.09 Dansili x Silver Rain
(Rainbow Quest)

A 4yo gelding trained by André Fabre, this Wertheimer & Frère homebred has had a fruitful season. He won his first two starts this year, most notably the Prix du Logis (B race) which he won by 5 lengths. On 28 July at Munich, this son of Dansili snatched a hard fought second place in the Grosser Dallmayr-Preis (**Gr.1**) over 2000m.

Lot 29 VISIYANI

(Rating 102 / 1600-2000m)
C.10 Rock Of Gibraltar x Visionnaire
(Linamix)

As a 2yo this son of Rock Of Gibraltar and the dual Group 1 placed Visionnaire won first time out before being placed twice at **Group 3** level, in the Prix des Chênes and in the Prix Thomas Bryon. This year the grandson of Linamix won the Prix Banstar, a B race run over a mile at Maisons-Laffitte before heading to the United States to take part in the Secretariat Stakes (**Gr.1**) at Arlington where he finished an honourable fifth.

Lot 36 CHALNETTA

(Rating 111 / 2400m)
F.10 Oratorio x Aifa (Johann Quatz)

This three year old filly trained by Christophe Ferland revealed the extent of her talent from a young age and has progressed well ever since. At the end of May in Bordeaux she won the Derby du Midi (**L.**) and proved head and shoulders superior to her rivals which included colts on the day. On her first start at **Group 2** level, she finished second in the Prix de Malleret at Saint-Cloud before finishing second again in the Prix de Pomone, not beaten far by the excellent André Fabre trained La Pomme d'Amour.

Lot 46 BEATRICE

(Rating 105 / 1600m)
F.10 Dr Fong x Brangäne
(Anita's Prince)

A half sister to German Group 2 winner Belcore, this Henri-Alex Pantall trained daughter of Dr Fong already stood out at the age of two, finishing second in the Prix des Sablonnets (**L.**) before being placed third in a **Group 3** at Krefeld. Particularly effective over a mile, she has won twice at **Group 3** level this year, first taking the Karin Baronin von Ullmann Schwarzgold-Rennen on 5 May at Cologne, then the International Istanbul Trophy on 7 September this year at Veliefendi.

Lot 47 MY CATCH

(Rating 102 / 1200m)
C.11 Camacho x Catch The Sea
(Barathea)

On his second start in June this year, this two year old belonging to Qatar Racing finished a close up and promising fifth in the Listed Windsor Castle Stakes at Royal Ascot. Trained in England by David Brown, he was then sent to France where he gained successive victories in the Prix Illinois II at Maisons-Laffitte followed by the Prix de Cabourg (**Gr.3**) at Deauville.

Colts Share Top Billing at Keeneland Thursday

Two yearlings reached six figures during Thursday's 10th session of the Keeneland September, eliciting matching \$160,000 at opposite sides of the session. Gatewood Bell's Cromwell Bloodstock, which purchased the top lot during Wednesday's session of the September sale, was back on top Thursday, acquiring a son of Ghostzapper for the day's co-top price. Consigned by Paramount Sales, the bay colt is out of Island Lore (Cozzene), a half-sister to graded stakes placed Yankee Dollar (Red Ransom). He was bred by James Witherspoon.

Later in the session, Hidden Brook Farm went to \$160,000 to secure a colt from the first crop of Grade I winner Majesticperfection (Harlan's Holiday). The yearling, out of Thoughtful (Mining), is a half to stakes winner Meditations (Out of Place). He was consigned by Mill Ridge Sales as agent for Lucy Bassett's Lanark Farms. Bassett, wife of Ted Bassett, bred the colt.

The sale continues through Saturday with sessions beginning daily at 10 a.m. For complete results, visit www.keeneland.com.

He is responsible for growing the Pistons' season-ticket base and marketing sponsorships, as well as selling suites. In addition, Quinn also plays a key role in the team's \$15-million project to develop a new upper-suite-level club at the 24-year-old arena. Quinn most recently worked as a consultant for Legends Premium Sales at the Rose Bowl and Churchill Downs. He also has extensive experience in the horse racing industry and is an avid fan of the sport. Quinn spent seven years at Santa Anita Park, where he was vice president of sales and marketing. He also worked at Hollywood Park.

Why I Support the TAA

“The concept of the TAA works because it has a broad spectrum of support. Everyone involved with these horses is being asked to give a little bit to take care of their well-being, and when you add this all up it can really do some good.”

 Managing Partner, Four Star Sales

Name: Chris Quinn

What I do for a living: Vice president of business development - Palace Sports & Entertainment

How and when I was introduced to Thoroughbred racing: Friday night racing at Hollywood Park

My favorite racetrack: Del Mar

My favorite Thoroughbred racing event: Breeders' Cup

Other sports/teams I follow: Detroit Pistons

What I would like to see more of in Thoroughbred racing: Cohesion and the sharing of best practices. In the NBA, they have developed an industry-renowned Team Marketing & Business Operations (TMBO) function. They are responsible for advising all NBA league teams on all aspects of business operations, including ticket sales, sponsorship development, suite sales, customer retention, digital sales, and marketing. Each team is assigned consultants to work directly with the teams in the NBA, WNBA, and NBA D-League to help drive revenue, share best practices, and develop talent at the franchise level. Racing has tried this a couple of different times to a lot of opposition by the respective racetracks.

[At 78, Lukas is Comeback Kid](#)

"Lukas' comeback actually started in the Breeders' Cup last fall when he won the Juvenile Sprint with Hightail. It was his first Breeders' Cup win in seven years. But it was easy at the time to dismiss the win as a fluke. The Juvenile Sprint was a terrible race and Hightail didn't look like a horse with any kind of future." **Bill Finley, ESPN**

[Do You Have What it Takes to Own a Racehorse?](#)

"The average income of a racehorse owner is difficult to figure. Not every race horse owner is extravagantly wealthy, but it helps to have a lot of extra cash to burn. The annual cost of keeping a competitive race horse, according to Forbes, is about \$60,000. For quick comparison, that's equivalent to a year of tuition, housing and books at an Ivy League college." **Sam Wood, Philly.com**

[Gift Horses: Slots Players Send \\$1.5 Billion Bouquet to PA's Race Industry](#)

"Last year, Parx became the first track outside the Breeders' Cup to offer two \$1 million races during one event, although not one Pennsylvania-based horse placed in any of the three stakes races that day. In fact, the entire \$2.3 million in stakes money was won by non-Pennsylvania owners. Yet, few might know that most of that money, as well as most of the purses that go to owners of winning horses, is not funded by people placing bets on horses. Rather, it's funded by the tens of thousands of small-time Pennsylvania casino patrons who play — and lose at — slot machines." **Sam Wood & Frank Kummer, Philly.com**

Readtheprospectus took four starts to break his maiden, but he's now reeled off six more victories since then. The bay annexed first and second-level State-bred allowances and then open allowances at the Big A over the winter and early spring, and was coming off a victory in the Commentator H. over an additional sixteenth here June 1. Allowed to settle at the back early behind a front-end frenzy with four runners trying to take advantage of a perceived bias, the odds-on choice crept closer while saving ground on the turn for home. He tipped four wide for clear sailing entering the stretch and found his best stride with the help of Junior Alvarado's energetic encouragement to get up and continue the streak. **Click for the [brisnet.com chart](#) or [VIDEO](#).**

Klassy Briefcase Passed Away at 28:

Klassy Briefcase (Medieval Man--Leather Gallery, by the Pruner) died Wednesday at Old Friends in Kentucky at the age of 28. She was a record-setting sprinter with \$362,959 in earnings and 18 wins in 42 starts, including multiple stakes, including the Princess Rooney. In 1990, the chestnut set a five-furlong record at Pimlico in :56 3/5 and followed it up with a new world record at Monmouth Park going five furlongs in :54 4/5. Monmouth Park now hosts the annual Klassy Briefcase S. in her honor. Klassy Briefcase was very successful as a broodmare as well up until her retirement in 2008. She produced multiple stakes winners, including Stu's Choice (Afleet) and Mr. Miesque (Miesque's Son). "Klassy with a K was Classy with a C as well," said Old Friends founder and president Michael Blowen. "Her intelligent demeanor and kind disposition made her one of Old Friends's most popular retirees. She will be missed."

College Scholarship Day at Santa Anita:

Santa Anita, in partnership with America's Best Racing and Breeders' Cup Limited, will host the first-ever "College Scholarship Day" Sept. 28. All California college students will receive free admission upon presenting their college ID. They will each receive a t-shirt and will be encouraged to sign up for a \$1,000 scholarship. After each race, there will be a drawing for a Breeders' Cup gift package, which will include two tickets to the first day of Breeders' Cup Nov. 1. "The college crowd is a demographic where most tracks traditionally do not spend much time or marketing money," said America's Best Racing ambassador John Cox. "Our goal is to attract college students to the racetrack, and leave a lasting impression that horse racing is fun and big events like this prove it. Hopefully that impression will make them want to come back." KROQ will host a "Party in the Infield", which will feature a craft beer festival and live music by Shiny Toy Guns and Lose Control. "College Scholarship Day will be a tremendous opportunity to get new, young faces to Santa Anita and allow them to experience just how exciting a day at the races can be," added Cox.

Penglai Pavilion bagged three of his first five starts, including a July 28 Deauville conditions heat in his penultimate go. He came here off a runner-up finish in the Aug. 25 G2 Grand Prix de Deauville back at the Normandy track on stakes bow last time. Sent to the front after the first furlong here, he adopted the customary tactic of swinging wide into the straight when the ground is testing, and stayed on resolutely under a final-quarter drive against the stands' side fence to deny Dupontal for a first black-type win.

Allowed some rein after halfway, the 11-8 chalk gained control approaching the final furlong and kept on well under minimal urging in the closing stages to comfortably best Silver Treasure (Fr) (Clodovil {Ire}) by 3/4 of a length. "I didn't think he'd be that green as he's done plenty of work at home, but I rode him with plenty of confidence and he went through the gears," stated winning rider Pat Cosgrave. "He's been working nicely and needed a nice day out today because he's been stuck at home and getting the revs up. I wanted to take my time and winning wasn't the be all and end all today. OBSERVATIONS

on today's European racing scene

14.00 Newbury, Mdn, £7,000, 2yo, 6f 8ydsT

Lady Rothschild's homebred **CAPE WRATH (GB) (Verglas {Ire})** is a 3/4-brother to the 2004 GI Clement Hirsch Memorial, 2005 GI Charles Whittingham Memorial and 2005 GI Sword Dancer Invitational placegetter Vangelis (Highest Honor {Fr}), and he faces 10 opponents in this unveiling. Forecast soft going should be of more help than hindrance as offspring of Verglas have shown a penchant for such conditions and, with his sibling also boasting easy-ground scores in the 2003 G3 Grand Prix de Vichy and 2004 G2 Prix d'Harcourt, the portents are good for the Richard Hannon trainee.

MAGDEBURG ABANDONED

Devastating floods in Eastern parts of Germany have severely affected racing at Halle and Magdeburg. While the former will host racing tomorrow for the first time since Summer floods wreaked havoc, this week's scheduled card at Magdeburg has been abandoned, as has the course's Oct. 19 meet. Magdeburg's weekend program will instead take place at Halle next week. "We tried really hard, but it was just not possible to get the whole track back to a suitable condition," stated Magdeburg's president Heinz Baltus.
