EPIPHANEIA BREAKS THROUGH

On paper, this year's G1 Kikuka Sho at Kyoto appeared relatively weak, lacking a previous Group 1 winner and following on the heels of a pair of stellar renewals dominated by Japanese Triple Crown winner Orfevre (Jpn) (Stay Gold {Jpn}) in 2011, and four-time Group 1 winner Gold Ship (Jpn) (Stay Gold {Jpn}) last year. However, by the race's end, **Epiphaneia (Jpn)** (Symboli Kris S.) gave the Kyoto faithful something to cheer about as he effortlessly ran away with the country's third and final colts' Classic. The Carrot Farm silkbearer, who kicked off his career with three straight victories last year and won his prep for this in the G2 Kobe Shimbun Hai Sept. 22, could be considered unlucky not to have won a Group 1 prior to yesterday. In fact, he came up just a length short of sweeping the Triple Crown, having finished second, beaten a half-length, in both the G1 Japanese 2000 Guineas and the G1 Japanese Derby. With 2000 Guineas winner Logotype (Jpn) (Lohengrin {Jpn}) out of action indefinitely and Derby winner Kizuna (Jpn) resting after a French foray that saw him win the G2 Prix Niel and finish fourth in the G1 Prix de l'Arc de Triomphe, there was no one to stand in Epiphaneia's way yesterday, and he never looked as if he would be beaten. **Cont. p3**

DULLAHAN DIES SUDDENLY

Dullahan

Multiple Grade I winner **Dullahan** (Even the Score--Mining My Own, by Smart Strike) died early Sunday morning at Rood and Riddle Equine Hospital in Lexington due to complications from colic. Dullahan's career was highlighted by a victory in the GI Dixiana Breeder's Futurity as a juvenile. The Donegal Racing

colorbearer also won the GI Toyota Blue Grass S. as a sophomore before finishing third in the GI Kentucky Derby and taking the GI Pacific Classic. He was recently retired and was expected to stand his freshman season at stud in 2014. "I am devastated that we will not get to see baby Dullahans growing up and becoming gorgeous racehorses," said Donegal President Jerry Crawford. "Instead we will be left with the incredible Grade I memories of the Dixiana Futurity, the Toyota Blue Grass and the voice of Trevor Denman at last year's TVG Pacific Classic saying, 'Bounding home in the center of the track, that's Dullahan and Dullahan's got him,' referring to Dullahan's defeat of Game on Dude and other older horses as a 3-year-old."

FTKOCT BEGINS THREE-DAY STAND

Spurred by a reduction in supply and a healthy increase in demand, the 2013 yearling sales season has turned out strong numbers so far, and Fasig-Tipton hopes the momentum continues heading into today's October Fall Yearling Sale in Kentucky. The three-day sale begins this morning and runs through Wednesday, with sessions starting daily at 10:00 a.m. A total of 1,134 horses, including four added horses, have been catalogued.

Boyd Browning, Jr.
L. Marquardt

"We're certainly in the midst of a recovery and have supply and demand working in our favor, and with the Dow at 15,000, people have some confidence in the market right now," said Fasig-Tipton President Boyd Browning, Jr.

That was borne out at last month's Keeneland September Sale, where the sale average jumped 17.1% to \$102,220, the sale's third-highest average ever.

"Most investors in the world have seen their portfolios grow in the past 12 to 24 months," continued Browning. "And a lot of it is psychological; people are just more willing to spend more money, whether it's on a boat or on an expansion of their business, or for a horse." **Cont. p8**

Traveling handily just off the pace in third, the bay loomed large rounding the turn, and was breathing down the neck of the pacesetter Bande at the top of the lane. With jockey Yuichi Fukunaga sitting nearly motionless, Epiphaneia cruised past his rival and strode clear to post an emphatic victory, with Fukunaga never resorting to the whip. Epiphaneia is the second foal out of 2005 GI American Oaks winner Cesario.

One of Germany's leading middle-distance performers without being a star, Earl of Tinsdal hit the heights at home when annexing the G1 Rheinland-Pokal over this trip at Cologne in 2011, having been second in the G1 Deutsches Derby at Hamburg. After adding this venue's G1 Gran Premio di Milano over this track and trip last June, the bay had missed the target on several occasions and was unsuited by a detour to Royal Ascot to contest the June 20 G1 Gold Cup, in which he was unable to land a blow. Fourth behind Meandre (Fr) (Slickly {Fr}) in the G1 Preis von Europa again over this trip at Cologne last time Sept. 22, he was promoted to second after the bizarre disqualification of the first two home before a successful appeal from Meandre saw him placed back to third. Settled in the slipstream of pacesetter Orsino, he was driven to gain the edge over that rival approaching the furlong pole and stayed on strongly to put the race to bed by the time the home hope Biz the Nurse found top gear.

Having taken nine starts to break his maiden, Norse King steadily built on a breakthrough 10-furlong conditions win at Compiègne at the start of July and registered a first black-type success upped to 14 furlongs for the Listed Prix Scaramouche at Saint-Cloud last time Oct. 4. Soon in front here, the chestnut took a lead from Dupontal before regaining the advantage approaching the final furlong and asserting for a decisive career-best. "He is very consistent and loves this ground," trainer Myriam Bollack-Badel commented. "He stays well, but is also a horse who can quicken. He is not set to travel abroad, so we will keep him in Chantilly and we are probably done for the year, as he is not entered in the G1 Prix Royal-Oak."

Elliptique was considered worthy enough to tackle experienced foes when debuting with an impressive all-weather conditions win at Deauville July 27, and hit the board behind the highly regarded Ectot (GB)

(Hurricane Run {Ire}) when stepped up to the Listed Criterium du Fonds de l'Eleavage back there on black-type bow Aug. 20. He again found that rival too good when a three-length runner-up in the Sept. 21 G3 Prix des Chenes going one mile at this track in his latest start, and gained just reward in game fashion back here once more. Settled at the rear after the initial strides in this first

attempt beyond eight panels, he inched closer along the false straight and kept on resolutely under a final-quarter drive to assert for a career high. "He's a nice colt who has not run a bad race and has been improving," trainer Andre Fabre commented. "He's now run four times, so we will put him away until next season when he will make a nice 3-year-old."

Having proven herself a quick learner with a maiden and conditions score in the space of eight days over 7 1/2 furlongs at this track last month, Ombrage stepped up again to pass this end-of-term examination with a degree of ease. Always traveling smoothly close to the pace, the bay was sent to the lead with 2 1/2 furlongs remaining as stable companion Salar Art (GB) (Dutch Art {GB}) came down on the inside and made light of the testing conditions to outclass her rivals. Runner-up Donna Prassede (Ity) (Manduro {Ger}) was later judged by the stewards to have caused the fall of Salar Art and was subsequently disqualified and placed last.

Like yesterday's G1 Gran Premio del Jockey Club hero Earl of Tinsdal (Ger) (Black Sam Bellamy {Ire}), Vif Monsieur was embroiled in the fiasco that followed the outcome of the Sept. 22 G1 Preis von Europa. Third behind Meandre (Fr) (Slickly {Fr}) and Empoli (Ger) (Halling) as they crossed the line there, the dark bay was controversially awarded the race by the Cologne stewards after the first two home had been judged to have interfered with Earl of Tinsdal, only to lose it when an appeal re-established Meandre days later. Aside from that quirk of the form book, he boasted a smart resume entering this class-drop, which featured a defeat of the G1 Deutsches Derby winner Lucky Speed (Ire) (Silvano {Ger}) in the G3 Fruhjahrs-Preis des Bankhauses Metzler over 10 furlongs at Frankfurt Apr. 28, and a win in Dusseldorf's Listed Henkel-Trophy over a panel more Aug. 4. Soon in front here in his customary dominant style, he kicked clear after the turn into the straight and maintained the gallop as Slowfoot emerged as his sole danger.

Last year's Listed Premio Vittorio Riva winner Nabucco got back on track with a conditions score over 1 1/16 miles here Sept. 15 before running a creditable third in the G1 Premio Vittorio di Capua over this track-and-trip a fortnight later. Sent straight to the front in this, the bay was asked for his effort passing the quarter pole and forged clear soon after to seal the result.

Clorofilla was second in the G3 Premio Carlo Chiesa over six furlongs at the Capannelle Apr. 14 before filling third spot in the G3 Premio Regina Elena (Italian 1000 Guineas) back there a fortnight later. Registering a first black-type success in the Listed Premio Nogara over seven furlongs here June 2, the bay was off the board in two subsequent starts before finishing third attempting to make all in the G3 Premio Sergio Cumani over a mile back at this venue Sept. 29. Showing sufficient early dash to stay close enough to the pace on this return to sprinting, she started to edge ahead with a furlong remaining before her stamina kicked in to decide matters.

FTKOCT BEGINS TODAY (cont. from p1)

That bodes well for an October Sale that has seen its stock rise in recent years. Graduates have included the 2008 GI Kentucky Derby winner **Big Brown** (Boundary), a \$60,000 purchase; and the 2009 Derby hero **Mine That Bird** (Birdstone), a \$9,500 acquisition.

Shoppers at Taylor Made on Sunday
 L. Marquardt

"Those two horses really helped change the perception of this sale," said Browning. "It shows everybody the beauty of our game. They won what many people would consider the ultimate prize, the GI Kentucky Derby, were graduates of a sale that wasn't a terribly high-profile sale at the time, and didn't sell for a lot of money."

More recent grads include this year's standout sophomore **Goldencents** (Into Mischief), who sold for \$5,500 in 2011, as well as the Grade I winners **Spring in the Air** (Spring at Last) (\$50,000 '11) and **Admiral Kitten** (Kitten's Joy) (\$39,000 RNA '11).

With buyers increasingly viewing October as a "must attend," the sale is drawing better horses, according to Browning. "There's no question it's become a sale people point toward," he said. "Five or six years ago, I'd say this sale was more of an afterthought, an opportunity for people to sell if their horse got sick or if they had a really late-maturing horse. At the beginning of the yearling sales season, it wasn't a serious consideration for many sellers. That's dramatically changed. When people are figuring how to slot their horses for what sale, this sale is a major consideration. Lots of quality horses have been sold here, and it gives buyers confidence, which in turn gives sellers more confidence to bring a nice horse here."

The October Sale was the beneficiary of several notable updates in recent months, at least two courtesy of the stallion Artie Schiller. The WinStar sire saw, on consecutive days at Keeneland, his daughter My Conquestadory win the GI Darley Alcibiades, and his son We Miss Artie take the GI Dixiana Breeders' Futurity. Both are now on track for the Breeders' Cup.

A Horse Greeley half-sister to My Conquestadory, the lone horse in the sale for consignor (and breeder) Paul Tackett, goes through as [hip 736](#). An Arch half-brother to We Miss Artie, meanwhile, will be sold by Bernard McCormack's Cara Bloodstock as [hip 401](#).

Another horse with a nice update is the Bluewater-consigned [hip 593](#), a half-brother to this year's GI Dwyer S. winner and GI Travers S. runner-up Moreno (Ghostzapper) ([Virtual Inspection](#)).

There haven't been many tweaks to the 2013 renewal of the October Sale. The catalog is a bit slimmer--9.5% fewer horses were entered from 2012--and the three-day format is the same. One welcome, if minor, addition was a line of food trucks just off the auxiliary tents at the back of Fasig's sales grounds yesterday, which were packed on a sun-splashed, seasonably chilly day in Lexington.

"It was just an effort to do something a little fun," said Browning. "Fortunately, we had a beautiful day. It helps to add a little atmosphere to the tents back here, where we have 400 temporary stalls, and we want to make sure we do everything we can to give the people stabled back here, and the buyers, a positive experience. They've been a big success; the only

problem is that they're almost out of food!"

BREEDERS' CUP BULLETIN

PLETCHER TRAINEES TUNE UP FOR CUP

Princess of Sylmar (Majestic Warrior) breezed a half-mile over the Belmont training track in :48.86 Sunday in preparation for the GI Breeders' Cup Distaff. "She breezed very well, as we've become accustomed to," said conditioner Todd Pletcher. "She came out of it in good order, so all systems are go." The King of Prussia Stable runner has tallied four Grade I wins this year, most recently winning the GI Beldame Invitational S. at Belmont Sept. 28. "She kept doing so well and running so well," Pletcher continued. "She was able to win the Beldame. I think one of Ed [Stanco of King of Prussia Stable]'s concerns early in the year was running her as a 3-year-old against older mares in California. When she beat Royal Delta, I think that eased some of his concerns."

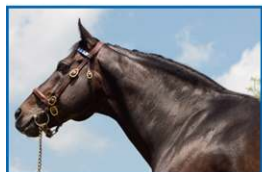

GI Champagne S. winner and **"TDN Rising Star"** **Havana** (Dunkirk) covered four panels in :49.10 over the Belmont training track in his penultimate work before the GI Breeders' Cup Juvenile. "Havana was very straightforward with an excellent gallop out," said Pletcher.

Pletcher also sent out GI Breeders' Cup Classic contestants **Graydar** (Unbridled's Song) and **Palace Malice** (Curlin) Sunday morning. The former, the recent winner of the GI Kelso H. Sept. 28, went five furlongs in 1:01.67. The latter, who was most recently runner-up in the GI Jockey Club Gold Cup, went the distance in 1:00.90. "Palace Malice was his standard, very good self," said the conditioner. "He seems to be maintaining his form. Graydar also was good and galloped out well, so he's had two of the three breezes we were looking for to go to the Classic."

SHE'S A TIGER FIRES A BULLET

🌟 **"TDN Rising Star"** 🌟 **She's a Tiger** (Tale of the Cat) fired a six-panel bullet in 1:10.60 Sunday at Santa Anita under jockey Gary Stevens. The GI Del Mar Debutante S. winner was second last out in the GI Chandelier S. Sept. 28 and is preparing for a start in the GI Breeders' Cup Juvenile Fillies Nov. 2. "It was an excellent work," the Hall of Fame jockey said. "She always works well. I wasn't asking her for anything. I'm excited. She's doing well."

BRIGHT THOUGHT WORKS FOR MILE

Bright Thought (Hat Trick {Jpn}), who set a track record when annexing the Gil San Luis Rey S. at Santa Anita Mar. 16, worked seven furlongs over the Santa Anita turf course in 1:28.60 Saturday. The colt, who has been on the bench since that victory, will be entered in the GI Breeders' Cup Mile. "We'll see if we get in, although we probably won't," said conditioner Jorge Gutierrez. "We'll enter and go from there."

CUP OPTION FOR GLORY

Sheikh Joaan Al Thani's **Olympic Glory (Ire)** (Choisir {Aus}) could run in the GI Breeders' Cup Mile following his impressive success in Saturday's G1 Queen Elizabeth II S. Richard Hannon, Jr. reported the 3-year-old colt to have emerged from that Ascot contest with no problems, and is considering a tilt at the Nov. 2 contest. "There is every chance that we will take him to California," the trainer's son and assistant said. "The turns have not been the problem--it has been more a case of him not coming down the hills, and with all the racetracks in America being flat, he would be okay on that score. We will talk to Sheikh Joaan and make a decision in midweek."

INTELLO RETIRED, STUD PLANS REVEALED

Wertheimer Et Frere's **Intello (Ger)** (Galileo {Ire}--Impressionante {GB}, by Danehill), winner of this year's G1 Prix du Jockey Club, has been retired and will enter stud next year at Cheveley Park Stud in Newmarket, England. Intello is also set to stand the 2015 season at Cheveley Park before moving to the Head family's Haras du Quesnay for the following two years. He will stand for £25,000.

Intello *Racing Post*

Unbeaten in two starts at two, Intello ventured to Newmarket to take the Listed Feilden S. on his sophomore debut Apr. 17. An unlucky third in the G1 Poule d'Essai des Poulains next out May 12, he gained redemption in the Prix du Jockey Club, stamping himself as the best 3-year-old colt in France. Doubling up in the G3 Prix Messidor a month later, Intello next finished third, beaten 1 3/4 lengths, by Moonlight Cloud (GB) (Invincible Spirit {Ire}) in the G1 Jacques Le Marois Aug. 11 and, after returning to the winner's circle in the G3 Prix de Prince d'Orange Sept. 21, would close his career with an admirable third behind Treve (Fr) (Motivator {GB}) and Orfevre (Jpn) (Stay Gold {Jpn}) in the G1 Prix de l'Arc de Triomphe Oct. 6.

Intello hails from a family filled with top racehorses and producers, including his multiple Group 1-winning second dam Occupandiste (Ire), and his female family traces back to the outstanding producer Fall Aspen, responsible for the likes of Dubai Millennium (GB), Charnwood Forest (Ire) and Timber Country.

"We are delighted to be standing such a talented racehorse as Intello, who complements and expands the portfolio of outstanding stallions currently standing at Cheveley Park Stud," said Cheveley Park Managing Director Chris Richardson. "An arrangement between three world-class breeding operations brings together the opportunity for European breeders to benefit from this new and very exciting initiative."

Freddy Head, a director of Haras du Quesnay, added: "We are delighted to be associated with such a good-looking, tough and versatile horse as Intello. We look forward to working together with both Wertheimer Et Frere and Cheveley Park Stud, and hope that Intello proves to be as good a stallion as he was a racehorse."

DUBAI CARNIVAL PROGRAM REVEALED

The Dubai Racing Club has revealed the list of fixtures for the Dubai World Cup Carnival, which gets underway at Meydan Racecourse Jan. 9 and culminates in the Dubai World Cup card Mar. 29. The carnival, which is worth a total of more than US\$37-million in prize money—including more than US\$27-million on World Cup night—will feature 11 meetings, including Super Saturday, the local prep card for the World Cup Mar. 9. The program will see a number of upgrades, including the promotion of the 3200-meter Dubai Gold Cup on Dubai World Cup night from a Group 3 to a Group 2, and the Meydan Sprint on Super Saturday from listed status to Group 3. Three conditions races will be upgraded to listed status. They are the Singspiel S. over 1800m on the turf to be held Jan. 9; the Dubawi S. over 1200m on the Tapeta Jan. 16, and the Dubai Millennium S. going 2000m on the turf Feb. 20. Other races with significant changes are the Al Fahidi Fort, traditionally held over 1600m during the seventh meeting, which will this year be held over 1400m during the third meeting, and the Meydan Classic, which has been dropped from 1600m to 1400m. Martin Talty, International Manager of the Dubai Racing Club, said the changes had been made to further refine and develop the Dubai World Cup Carnival.

“We wanted to develop our 1400m program, and noted that there were not many races of the status of the Al Fahidi Fort over that distance around the world,” he said. “We wanted to open the race up a bit so that it ties in with the Zabeel Mile held five weeks later, which can be used to prep for Dubai World Cup day races.”

Talty added that newly upgraded Dubai Millennium S. would give trainers extra options when prepping for valuable Group 1 races on Dubai World Cup day.

“This 2000m race was named after the great Dubai Millennium and fits into our schedule on Feb. 20, where it is four weeks out from Dubai World Cup night and horses can use it to prepare for any of the three final races on the Dubai World Cup-day card, the [G1] Dubai Duty Free, the [G1] Dubai Sheema Classic or the [G1] Dubai World Cup,” he said.

Talty also noted that the Dubai Gold Cup has been earmarked for future growth.

“This race became a Group 3 in 2010 and moved to the Dubai World Cup program in 2012. It is a race that has become attractive to trainers with stayers from around the world and hopefully in years to come it will take another step up to a Group 1, adding further value to the Dubai World Cup card,” he said.

RACETRACK ROUND-UP

'MADAME' EXITS RAVEN RUN IN GOOD SHAPE

Saturday's GI Lexus Run S. winner **Madame Cactus** (Cactus Ridge) will ship back to her home base at Santa Anita Park tomorrow, according to conditioner Peter Eurton. "She will go back home Tuesday," said Eurton. "Her next start probably will be the [GI] La Brea [S.] at the end of December." The connections of runner-up **Eden Prairie** (Mizzen Mast) look towards improvement in her next start. "I thought she would run well," trainer Neil Pessin said of Eden Prairie. "It was great to be second, but still a little disappointed not to win, especially for her to run as well as she did and not win. We had pointed to this race for two months. We will look for something on the dirt or turf at Fair Grounds. There is no Polytrack for a while." GI Prioress S. heroine **Lighthouse Bay** (Speightstown) was scratched from Saturday's contest. "She had trained well on the training track [Saturday] morning," conditioner George Weaver said. "The state vet came by at 11 and said I needed to take a look at something. She had a foot bruise or an abscess in her left front."

MY MISS AURELIA TO RETURN THURSDAY

Champion 2-Year-Old Filly **My Miss Aurelia** (Smart Strike) is expected to return from a 7-month hiatus with a start in Thursday's Punkin Pie S. at Belmont Park. The filly was last seen when third in Oaklawn's GIII Azeri S. Feb. 16 for trainer Steve Asmussen. Her upcoming start will be her first since transferring to the Todd Pletcher stable. "We were just looking for somewhere to bring her back off a long layoff," said Pletcher. "We can see where she is in her training. She's indicated to us that she has trained very well and is ready to get started again. We're trying to get back on track and see where she is in terms of future races."

Why I read the TDN

"Although as a former TDN intern I am slightly biased, the daily newsletter is a must read to stay up to date with the global Thoroughbred industry. For someone interested in bloodstock, I find the focus on pattern race results with details of the winners' breeding really useful to keep a gauge of which stallions are siring good quality winners. The detailed sales reports are brilliant to skim through and again stay abreast of the health of the bloodstock markets in different countries. Not only is the publication a great source of information, but it is also light-hearted and full of personality. I love reading about the different characters on the sales grounds, the stories behind the big winners or sale toppers and more importantly wherever you find yourself in the world, the TDN makes sure you don't miss out on the best local haunts!"

PANZA JOINS NYRA

Martin Panza has joined the New York Racing Association in the newly created position of Senior Vice President of Racing Operations, according to a NYRA release. Since 1994, Panza has served as Vice

Martin Panza

President of Racing and Racing Secretary at Hollywood Park.

“This is a very significant step in the continuing effort to successfully reorganize The New York Racing Association,” Dr. David Skorton, Chair of the NYRA Reorganization Board, said. “Martin is a proven leader with more than 25 years’ experience. He will work very effectively with the other skilled executives currently in place at NYRA. The organization is moving in the right direction.”

Chris Kay, CEO and President of NYRA, added, “Martin will bring skills that are so important

as we strive to continuously improve our quality of racing. He will also work closely with New York State’s Equine Medical Director to promote safety.”

During Panza’s tenure at Hollywood Park, the track established the GI American Oaks, which attracted star fillies from around the world. Panza also created a guaranteed \$1-million Pick 6 in 1998--the first guaranteed wager in the United States. He served two terms on the American Graded Stakes Committee, and he presently serves on the Breeders’ Cup Selection Committee, the Dubai World Cup Selection Committee and the North American Ratings Committee for The Jockey Club.

“It’s a great honor to join the New York Racing Association team,” said Panza. “I will work hard to present great racing and to create innovative ways to further increase the fan base.”

Panza is expected to officially join NYRA late next month.

AUNTIE MARTHA (f, 3, War Pass--Auntie Mame {GISW, \$961,480}, by Theatrical {Ire}) returned from eight months on the sidelines to be second, beaten just a neck, over the turf at Delaware Sept. 16. The 6-1 shot tugged along in a stalking position behind a tepid pace. She bullied her way between foes at midstretch and spurted to the lead before holding off Bramley (Dynaformer) by a half-length. **Click for the [brisnet.com chart](#) or [VIDEO](#).** Lifetime Record: 6-1-1-2, \$51,680. The bay colt broke sharply from his inside post and was on the lead in the early strides, but propped going under the wire the first time and was taken off the pace to race in midpack. He took closer order leaving the backstretch, angled to the outside for the stretch run and forged to the lead en route to a 1 1/4-length victory. Thunder Run (Colonel John) was second. The fifth winner for his freshman sire (by Spend a Buck), Rankhasprivileges was a \$33,000 FTKOCT yearling and is a half-brother to Unbridled Express (Unbridled's Song, GISP). **Click for the [brisnet.com chart](#) or [VIDEO](#).** Lifetime Record: 1-1-0-0, \$33,600. BULLET TRAIN TO CRESTWOOD:

Bullet Train (GB) (Sadler's Wells--Kind {Ire}, by Danehill), the group-winning three-parts brother to world champion Frankel (GB) (Galileo {Ire}), will stand the 2014 breeding season at Pope McLean's Crestwood Farm near Lexington. The 6-year-old stallion previously stood at Wintergreen Stallion Station. "Bullet Train is a proud addition to the Crestwood Farm stallion roster," said McLean. "As a 3/4-brother to Frankel, Bullet Train offers breeders a unique opportunity--access to a well-made and very talented racehorse who is also one of the best-bred stallions in the world." Winner of the G3 Derby Trial S., Bullet Train was favored for the 2010 renewal of the G1 Epsom Derby. He never raced on Lasix. "We are very excited to have Bullet Train go to a farm as prestigious as Crestwood Farm," said Sean Feld, managing director of Bullet Train LLC. "The McLeans are a great family and hands-on horsemen. We are looking forward to prosperous partnership together." Bullet Train's stud fee will remain at \$7,500. For season inquiries, contact Sean Feld at (859) 519-9665.

DEAUVILLE READIED FOR OCTOBER FEST

Arqana launches the first of four days of its October Yearling Sale today, with an extra day tagged on to meet demand at the auction now famous for selling a subsequent G1 Cheveley Park S. winner in Vorda (Fr) (Orpen) for just €9,000. More importantly, buyers had the opportunity to purchase a certain Haras du Quesnay homebred daughter of Motivator (GB) two years ago, but deemed her unworthy of more than €22,000. That decision cost potential shoppers, as the filly in question turned out to be the G1 Prix de l'Arc de Triomphe and G1 Prix de Diane heroine Treve (Fr). Others of note who did graduate here include the dual Group 3 winner Pearl Flute (Ire) (Piccolo {GB}), who cost €42,000; this year's G3 Prix de Fontainebleau scorer Gengis (Fr) (King's Best) who fetched €23,000, and the €50,000 purchase Very Nice Name (Fr) (Whipper), who has gone on to become a star of Qatar and place at the highest level. Stand-out lots include hip [33](#), perhaps the pick of three well-connected representatives of Galileo (Ire). He is a full-brother to six black-type performers, including Ballydoyle's G1 1000 Guineas third Moth (Ire) and half to the smart Hearthstead Maison (Ire) (Peintre Celebre) from Haras des Capucines. The Coulonces Consignment's hip [55](#) is a son of the resurgent Orpen who is a half-brother to the champion Pride (Fr) (Peintre Celebre) and this year's G2 Prix Corrida runner-up Fate (Fr) (Teofilo {Ire}). Hip [69](#) is a Silver Frost (Ire) half-sister to last year's G1 Criterium de Saint-Cloud winner Morandi (Fr) (Holy Roman Emperor {Ire}) from The Motteraye Consignment. A Shamardal 3/4-brother to the recent G1 Premio Vittorio di Capua winner Shamalgan (Fr) (Footstepsinthesand {GB}) is consigned by Haras des Granges as hip [139](#), and Haras de la Perelle's hip [145](#), an Oasis Dream (GB) half-brother to last year's G1 Falmouth S. winner Giofra (Fr) (Dansili {GB}). "For owners and trainers, the October Yearling Sale represents a fantastic opportunity to buy, at a reasonable price, quality yearlings which have been well prepared by conscientious and professional vendors," Arqana Chairman Eric Hoyeau commented. This year, two extraordinary fillies in Vorda and Treve have established themselves as leaders of their generation in France, if not at European level. Having gone through the ring in Deauville in October of their yearling year, they symbolize the degree of excellence achieved by the sale." The full catalogue is available at www.arqana.com.

Third in the Aug. 12 Listed Grand Prix du Lion-d'Angers over 10 furlongs, Kenbella had failed to better that achievement in three subsequent starts, including when below-par in the Listed Prix Coronation over a mile at Saint-Cloud Sept. 27. Held up early in mid-division racing wide, the grey was delivered on the front end inside the final 50 meters and quickly asserted her superiority. "She didn't run too well last time, but she had had two close races before that and I don't think she was really at her best," trainer Henri-Alex Pantall said. "The ground helped her today and she is also very courageous. She could go once more in the G3 Prix Fille de l'Air [at Toulouse Nov. 11]."

LA GOHANNIERE (FR) (f, 2, Le Havre {Ire}--Landskia {Fr} {SP-Fr}, by Lando {Ger}) finished eight lengths off the **"TDN Rising Star"** performance of Royalmania (GB) (Elusive Quality) when second at Deauville on debut Aug. 23, and justified a supplementary entry in this return. Well away from the outside box to sit in second until the straight, the 17-5 chance came under pressure to challenge passing the two pole and was ridden out inside the final furlong to assert by a short neck from When in Doubt (GB) (Montjeu {Ire}). She becomes the seventh winner for her freshman sire (by Noverre). [Click for Equidia VIDEO.](#) Lifetime Record: 2 starts, 1 win, 1 place, €16,800. Wannabe Better followed a ready win in the Aug. 28 Listed Ruby S. at Killarney with a last-of-12 finish when pitched into the Sept. 7 G1 Matron S. at Leopardstown,

Wannabe Better

and kept on for fourth in the G3 Concorde S. at Tipperary last time Oct. 6. Settled on the outer of midfield through the early strides here, she was brought wide into the straight and kept on well under a drive once taking over at the furlong pole to get back to

winning ways in decisive fashion.

"She's fairly useful on her day and was in-season when I was saddling her, but it doesn't seem to make much difference to her," trainer Tommy Stack told *irishracing.com*. "She ran well from a bad draw at Tipperary, but was too keen in the Matron, and probably wasn't good enough anyway. I don't know whether she'll stay in training or not as she's now won two listed races and her half-sister [Wannabe Grand] is a Group 1 [1998 Cheveley Park S.] winner."

Nudged into the lead at the quarter pole, the 10-1 chance was ridden clear in the final eighth to best Beyond Brilliance (Ire) (Holy Roman Emperor {Ire}) by 4 1/4 lengths. "She appreciated the give in the ground here today and I think she's a filly to really look forward to next year," commented trainer Dermot Weld. "Going 1 1/4 miles or a 1 1/2 miles next year, I'd be disappointed if she wasn't a stakes filly." The winner is a full to Proportional (GB), Hwt. 2yo Filly & G1SW-Fr, \$354,833.
