

FIGURES HOLD STEADY AS BOOK 1 ENDS

By Emma Berry and Kelsey Riley

Newsells Park is no stranger to sales ring success with its mare Shastye (Ire) (Danehill), the dam of 3.6 million guineas colt Sir Isaac Newton (Ire) (Galileo {Ire}) in 2013, and Andreas Jacobs’s operation once again found itself at the top of the results table during Thursday’s third and final session of Book 1 of the

Lot 439, session-topping Street Cry filly | Tattersalls

Tattersalls October Sale. Newsells topped Wednesday’s session with the sale-topping Dubawi (Ire) filly, and followed up Thursday with Shastye’s Street Cry (Ire) filly, which commanded a session-topping 800,000gns from agent Charlie Gordon-Watson.

Six seven-figure lots traded over the last three days, headed by the 2.1 million guineas Dubawi filly, led to 4% rise in aggregate on last year’s figures for Book 1 as a whole to 82,744,500gns--a new European auction record--with the median remaining static at 150,000gns and the average falling slightly by 5.7% to 222,431gns. The clearance rate was also largely unchanged from last year, with 372 of the 462 lots offered, or 80.5% of yearlings, being marked as sold. A slightly quieter final session saw the corresponding figures for

day three take a dip, with the turnover of 24,375,000gns representing a decline of 19%, and the average and median contracting by 30.9% and 26.3% at 196,573gns and 140,000gns, respectively. The clearance rate for 124 sold on Thursday stood at 79.5%.

The momentum of the Newsells Park draft continued apace on the final day of Book 1 Thursday, with their Street Cry half-sister to G2 Middleton S. winner Secret Gesture (GB) (Galileo {Ire}) ([lot 439](#)) creating a stir late in the afternoon when selling for 800,000gns to Charlie Gordon-Watson, who had to see off Darley’s John Ferguson for the February-foaled bay. **Cont. p3**

WORK ALL WEEK RETIRED

Champion **Work All Week** (City Zip--Danzig Matilda, by Repriced) has been retired from racing due to a stress fracture discovered in his knee during a routine scan. The Midwest Thoroughbreds homebred most likely suffered the injury during his third-place effort in Keeneland’s GIII Phoenix S. Oct. 2.

“Sometimes he gets heat in his ankles, so we were doing a routine check on him,” said Midwest Thoroughbreds’s Richard Papiese. “We decided to go ahead and check his knees for no reason except just to be thorough and we found a stress fracture that likely occurred during the running of the Phoenix. There was no pulse or heat, but there was just enough for us to have to stop on him.”

Work All Week | Horsephotos

Papiese added, “We are so lucky we decided to check, because it could have set him up for a slab fracture and that could have been catastrophic. To bring back as a 7-year-old [next year] would be a big risk and he’s already done so much and given us so many highs that I would not risk his health and happiness. It’s not a tragedy and the glass isn’t half empty--it’s full because he isn’t shattered.” **Cont. p11**

Both the Keeneland Association and the International Federation of Horseracing Authorities (IFHA) have joined the Coalition for Horse Racing Integrity in support of HR 3084, it was announced Thursday. The act, filed by Congressmen Andy Barr (R-KY) and Paul Tonko (D-NY) in July, aims to establish a federal, non-governmental racing regulatory organization headed by the United States Anti-Doping Agency.

Wallace Wins Battle For War Front...

War Front, whose yearlings are averaging \$574,375 thus far this year, had just one representative in Book 1 and that individual ([lot 411](#)) did not disappoint, selling to China Horse Club for 775,000gns. That operation's agent Michael Wallace had to see off a handful of underbidders that included Charlie Gordon-Watson, Ed Sackville and John Ferguson. The colt, bred and consigned by Lofts Hall Stud, is out of GII Mrs. Revere S. winner River Belle (GB) (Lahib), and is a half-brother to GIII Bewitch S. winner Strathnaver (GB) (Oasis Dream {GB}) and

Lot 411, War Front colt | Tattersalls

Listed UAE 1000 Guineas winner Siyaadah (GB) (Shamardal), as well as the stakes-placed Soho Dancer (GB) (Galileo {Ire}), who was a 310,000gns purchase in this ring. In fact, River Belle's last four yearlings to be offered at auction have all fetched

six figures, headed by a 500,000gns daughter of Galileo picked up by trainer Michael Bell in 2013.

Wallace said the March-foaled bay had appeal as a future stallion prospect.

"We've all seen the success of War Front worldwide and especially here in Europe," he said. "He was a fantastic-looking, athletic type of horse who moved well all week and has a great temperament. He didn't put a foot wrong all week. He'll race in Europe."

Ferguson Lands Dubawi Daughter...

A Dubawi filly led proceedings during the second session of Book 1, and another of his daughters made an early splash on the final day when [lot 387](#), a bay filly out of the dual listed winner Polly's Mark (Ire) (Mark Of Esteem {Ire}), was knocked down to John Ferguson at 700,000gns. Ferguson had to play second fiddle to MV Magnier for Wednesday's session-topper, but this time around he outstayed Chris Richardson, who was standing with Cheveley Park Stud owner Patricia Thompson in the gangway.

Bred by Fergus Anstock, the first filly and second foal of Polly's Mark was consigned by Bumble Mitchell, who has enjoyed some notable sales-ring successes for Anstock's The Kathryn Stud.

Mitchell said, "That was fantastic. I'm thrilled for The Kathryn Stud, who are wonderful clients. The filly has been no trouble to prep, she's been an absolute delight all the way through."

The consignor noted that Polly's Mark has a filly foal by Frankel (GB) this year and is in foal to Kingman (GB).

Commenting on his purchase – one of 23 throughout Book 1 for a total of 8.4 million guineas--Ferguson said, "This is a wonderfully athletic filly and she looks like a racehorse. We were keen to get her. She comes from a great farm--Bumble Mitchell does a good job." He added, "We would have loved to have bought the Loveisallyouneed filly yesterday, but we are delighted with her price and thrilled that so many are supporting the sire, who has had a wonderful year."

Though Chris Richardson and Cheveley Park Stud were thwarted in their attempts to buy the Dubawi filly, three lots earlier they had successfully laid claim to a close relative of Kingman (GB) when going to 450,000gns for [lot 385](#). The daughter of Invincible Spirit is out of Kingman's unraced Johannesburg half-sister Plesantry (GB), and was consigned by Oghill House Stud, which bred the filly in partnership with Stan James founder Steve Fisher and Joseph Burke. The partners sold the mare's first foal, the as-yet unraced Pirquet (Ire) (Sea The Stars {Ire}), to John Ferguson at this sale last year.

"We're absolutely delighted with that and we wish Cheveley Park Stud every success with her," said Joseph Burke, who bought Plesantry privately. "After we brought the filly here last year and she sold at her reserve of 200,000gns, I'd say we were cautiously optimistic, but we're really happy with this result. Plesantry has a corker of a colt by Dawn Approach (Ire) this year and is back in foal to Invincible Spirit."

Shadwell Strikes For Frankel Colt...

Progeny of the mare Tariysha (Ire) (Daylami {Ire}) are commodities Sheikh Hamdan is very familiar with, having bought four horses out of the 13-year-old mare, and his racing manager Angus Gold went back to that well once again Thursday at Tattersalls when outlasting a stubborn Lord Grimthorpe at 700,000gns for [lot 487](#), a colt by Frankel (GB) from Corduff Stud.

Gold revealed, however, that it has been a far from straightforward journey with Tariysha's progeny. Sheikh Hamdan purchased the mare's first foal, Arcano (Ire) (Oasis Dream {GB}), after his win in the G2 July S. as a juvenile, and while Arcano went on to add the G1 Prix Morny, that proved to be his last win, and he now stands at Sheikh Hamdan's Derrinstown Stud in Ireland. **Cont. p6**

Gold was encouraged enough, however, to spend 450,000gns on Tariysha's next foal, a Medicean (GB) colt later named El Muqbil (Ire), at this sale in 2009, and the following year he added a 700,000gns Oasis Dream filly, followed by a 1.1 million guineas Oasis Dream colt last year named Alkhayyam (Ire) that died before he could make it to the races.

"El Muqbil was a better horse than he looks; he was quite a decent horse but had a few problems, then the other horse [Alkhayyam] was very long and backwards, then he died. And we had another filly out of the mare that flipped over in the stall and smashed her poll, and that's why she never ran," Gold explained. He is therefore looking towards the Frankel colt to turn the family fortunes around. "Things haven't gone right so hopefully they will with this one," Gold said. "This is a late foal and an immature horse. I'm happy to get a Frankel, and Sheikh Hamdan liked the horse very much. He had a lovely attitude, too."

Gold said Sheikh Hamdan has two homebred Frankels.

"We've bred two, one in America and one in Ireland, which have both improved as the year has gone on," he noted.

"They're definitely late-maturing horses but very much going the right way."

Dugan Digs Deep For Pair of Fillies...

U.S.-based agent Shawn Dugan admitted it's been a competitive buyers market at Tattersalls this week, but she was all smiles Thursday afternoon after signing for her second filly of the day--[lot 407](#), a filly by Shamardal--for 625,000gns. Dugan had earlier picked up a Teofilo filly for 250,000gns for an undisclosed group of buyers that was visiting Book 1 for the second straight year.

"It's for a new fledgling group, we were here last year, and we're just trying to buy quality fillies to eventually create a broodmare band, and she fits that bill. She was a stunner,"

Dugan said, noting the group has bought five yearlings at the European sales this year. She added that the daughter of Red Bandanna (Ire) (Montjeu {Ire}) from Corduff Stud would begin her racing career in Europe, but said a trainer hadn't been picked out for the relative of G1 Nassau S. winner Sultanina (GB) (New Approach {Ire}), who was bred by Wardstown Stud and was a €175,000 purchase by Blandford Bloodstock at last year's Goffs November Foal Sale. **Cont. p7**

“She could go anywhere, and you’re hoping when you buy something for that kind of money that she’s going to be rather versatile,” Dugan added. Of the market, she remarked, “It’s tough to buy anything here; we’ve been blown out of the water the last two days.”

The filly’s sale was yet another good result for the Egan family’s Corduff Stud, which earlier in the week sold a homebred Dubawi filly for 900,000gns to China Horse Club as well as a Lope De Vega (Ire) colt for 400,000gns to John Ferguson. The Shamardal filly was pinhooked at Goffs last year for €175,000.

“The sale’s been very kind to us,” said David Egan, who married bloodstock agent Henrietta Michael in June. “We knew we had some lovely horses coming here but you never know what the market will be like. Fortunately it has been strong.” He continued, “We have 30 mares at home so our drafts are always a mixture of homebreds and pinhooks. The Shamardal filly was very much my dad’s pick. He and I work the foal sales together with Richard Brown, who is a big help to us.”

The new Mrs. Egan added that the results enjoyed this week would help pay for the couple’s honeymoon. She said, “We haven’t been away yet as we’ve been so busy with the horses since our wedding. We’re off fishing in Venezuela for a week before going on to the Breeders’ Cup and then back for the foal sales.”

Familiar Family For Juddmonte...

Khalid Abdullah’s Juddmonte Farms made its second purchase of the week when shelling out 600,000gns for [lot 367](#), a filly from the first crop of G1 King George VI and Queen Elizabeth S. winner Nathaniel (Ire) (Galileo {Ire}) consigned by Watership Down Stud. The half-sister to G1 Sun Chariot S. winner Spinning Queen (GB) (Spinning World) had topped last year’s Tattersalls December Foal Sale when sold by Newsells Park, which stands Nathaniel, to Charlie Gordon-Watson for 300,000gns.

The second dam, stakes winner Lady Blackfoot (Prince Tenderfoot), has made a much greater mark as a producer, being the dam of GI Hollywood Derby victor Labeeb (GB) (Lear Fan); GII Arlington H. winner Fanmore (Lear Fan); G2 International S. winner Alrassaam (GB) (Zafonic) and the stakes winner and producer Madame L’Enjoleur (L’Enjoleur). **Cont. p8**

Khalid Abdullah's Racing Manager Lord Grimthorpe, who saw off underbidder Richard Brown and signed the ticket, explained the filly's page was a large part of her appeal.

"That's what we've been looking for this week, to try to buy into what's a relatively new family for us, although Prince Khalid did race Fanmore, so he knows the family," he said. "Obviously she's a sister to a Group 1 winner and it's a good, strong producing family, which is very important for us. We're looking at her long-term."

Lord Grimthorpe also weighed in on Nathaniel, who faced Juddmonte homebred Frankel on just two occasions, when second to the unbeaten champion on both their debuts and when third behind Frankel in both their last starts in the G1 Champion S. three years ago.

"It's quite interesting--Nathaniel was second to Frankel on his first start and third to Frankel on their last starts, so they had not dissimilar careers," he said. "Both horses are by Galileo, which is interesting, but Nathaniel looks to have had a good start."

Nathaniel wrapped up Book 1 with 13 sold at an average of 232,769gns, making him the second-leading first-season sire behind only Frankel, whose nine sold averaged 445,000gns. Nathaniel was also the sire of [lot 472](#), a colt from Watership Down Stud hammered down to Dermot Farrington for

500,000gns. The March foal is a half-brother to GI Canadian International winner Sarah Lynx (Ire) (Montjeu {Ire}) and G3 Classic Trial winner Sugar Boy (Ire) (Authorized {Ire}).

Lord Grimthorpe also offered an update on GI Sword Dancer S. winner Flintshire (GB) (Dansili {GB}), who for the second consecutive year finished second in the G1 Prix de l'Arc de Triomphe last weekend.

"He's 100% reliable," he said. "We're lucky to have a horse as honest and straightforward as him. You'd arguably say he's run his two best races in his last two starts, and he's come out of the Arc very well, so we're looking at a couple combinations for the end of the year--Breeders' Cup, Japan, Hong Kong. He wouldn't run in all three of those, it might be one or two depending on the circumstances."

Dream Duo For Varian...

Trainer Roger Varian was recently handed the entire string of owner Sheikh Mohammed Obaid, and the Newmarket conditioner was shopping for that client at Park Paddocks this week. His haul Thursday included a pair of Oasis Dream (GB) youngsters in the form of lots [388](#) and [399](#). The former, a filly bred by Fittocks Stud and consigned by Highclere Stud, is out of the stakes-winning Pongee (GB) (Barathea {Ire}), a half-sister to the second dam of G1 Irish Oaks winner Chicquita (Ire) (Montjeu

"It's a current family that's doing very well," Varian said. "In time I'm sure she'll visit Dubawi, but hopefully she'll have a racing future before that."

Pongee herself has a colt foal by Dansili (GB) and was bred to Dubawi this year.

Roger Varian inspects yearlings with Hanako Varian and Jackie Jarvis
Tattersalls

Varian struck again for Sheikh Mohammed Obaid a short time later when shelling out 500,000gns for lot 399, an Oasis Dream colt from Newsells Park Stud. The bay was bred by Newsells' German branch, Gestut Fahrhof, and is a full-brother to Fahrhof's Italian Group 1 winner Querari (Ger), and

a half to that operation's unbeaten Quasillo (Ger) (Sea The Stars {Ire}), who was favored for this year's G1 Deutsches Derby after winning the G3 Bavarian Classic in May but missed that Classic due to injury.

"He was a lovely colt; a scopey Oasis Dream," Varian said. "He'll need a bit of time to mature, but he just floated around the ring and we liked him from the first time we saw him."

Leigh's Passing Adds Touch of Sorrow...

Despite a decent price of 420,000gns, there was an air of sadness attached to the sale of [lot 437](#), the colt by Oasis Dream out of multiple stakes winner Seta (GB), following the death of his breeder, Sarah Leigh, last month.

The daughter of the Eydon Hall Farm owner Gerald Leigh boarded her remaining few mares at Fittocks Stud, owned by Luca and Sara Cumani, who enjoyed such a fruitful partnership with her late father. Their many notable racecourse triumphs included a number of the colt's family, such as G1 Breeders' Cup Mile winner Barathea (Ire) (Sadler's Wells), and his G1 Irish 1000 Guineas-winning sister Gossamer (Ire).

Paying tribute to Sarah Leigh, Sara Cumani said, "We go back a long way with the Leigh family and we've all had great success together. Gerald and Luca were great friends and we learned a lot from him. It was a very sad day when he died but wonderful when Sarah took over." She continued, "Sarah was probably the first to admit that she came to breeding late in life, but she was really keen to learn and to get things right. She tried to do things as her father would have done and she kept a few mares that were particularly close to her. The Leighs were also very lucky to

have Terry Campbell as such a loyal farm manager for a long time. Sarah was so brave in her fight against cancer for eight years."

A little later in the day, another member of the famous Leigh family fetched 450,000gns, but [lot 452](#), a filly by Lawman (Ire) out of Gossamer's daughter So Silk (GB) (Rainbow Quest), was actually bred by the Cumanis, who bought So Silk from the Eydon Hall Farm dispersal for 480,000gns in 2008. She has already proved to be a worthwhile purchase, producing G2 Park Hill S. winner Silk Sari (GB) (Dalakhani {Ire})--now also a member of the Fittocks Stud broodmare band--as just her second foal.

"It's been a great sale for us," said Cumani. "What's particularly nice is that So Silk's Lawman filly was bought by Trevor and Libby Harris of Lordship Stud, who are very good breeders, and they are sending her to Luca to train. It's lovely to have a nice new owner."

Other Fittocks-bred individuals to have found favor during Book 1 include an Oasis Dream filly out of Pongee (GB) (Barathea {Ire}), and thus a great granddaughter of the Cumanis' foundation mare Souk (GB). The relation to Classic-winning fillies Chicquita (Ire) and Alexandrova (Ire) was knocked down for 450,000gns to Roger Varian and will race for Sheikh Mohammed Obaid.

John Ferguson signed for the full-sister to the Oaks-placed Lady Of Dubai (GB) (Dubawi {Ire}) at 420,000gns, while on Tuesday, Al Shaqab Racing bought an Invincible Spirit colt out of Voodoo Dancer S. winner Wallis (GB) (King's Best). All of the Fittocks yearlings are consigned through Highclere Stud. Cumani continued, "Highclere did their usual amazing job. The horses all looked great. It's a partnership that works very well."

Coolmore’s MV Magnier was Book 1’s leading buyer, having signed for 10 lots for 8,885,000gns, including the 2.1-million guineas sale topper. Darley’s John Ferguson was second, with 23 bought for 8.4 million guineas. Shadwell took home 15 for 5,530,000gns, and South Africa’s Mayfair Speculators made a big impression with 12 bought for 4,075,000. Four of those came on the final day: [lot 440](#), a 650,000gns Sea The Stars (Ire) half-brother to dual Group 1 winner Shareta (Ire) (Sinndar {Ire}); [lot 364](#), a 400,000gns Dansili (GB) colt from Meon Valley Stud; [lot 504](#), a 300,000gns filly by Treve (Fr)’s sire Motivator (GB); and [lot 486](#), a 180,000gns filly from the first crop of G1 Irish 2000 Guineas winner Power (GB) (Oasis Dream {GB}).

Dubawi was the sale’s leading sire by average (for sires with more than one sold) with 11 sold for an average of 662,273gns. Dubawi’s current arch-nemesis on the sires’ table, Galileo, finished second by average with 17 sold for an average of 545,882gns.

Tattersalls Chairman Edmond Mahony described Book 1 as a success, saying, “This time last year we were reflecting on an extraordinary Book 1 of the Tattersalls October Yearling Sale which had shattered all records, and it seems remarkable that we are in a very similar position again. Last year’s wide-margin record median has been matched, the average, with a larger catalogue, has been fractionally below the extraordinary 2014 figure, and the turnover in excess of 80 million guineas is a record for the third consecutive year, and a clear demonstration of the robust international market which sets Book 1 of the Tattersalls October Yearling Sale apart from all other European yearling sales.”

He continued, “From start to finish we have witnessed fierce global demand and for the fourth year in a row, Book 1 of the October Yearling Sale has produced the highest-priced auction yearling in the world. While the sale-topping 2.1 million guineas Dubawi filly was an individual highlight, the real feature of the three-day sale has been the strength and depth to the demand, in particular at the top of the market. Six yearlings selling for seven figures matches last year’s record; there have been nearly 40 yearlings sell for 500,000 guineas or more; more than 150 breaking the 200,000 guineas mark; and, equally importantly, there have been some spectacular pinhooking triumphs.”

The Tattersalls October Yearling Sale picks up Oct. 12 with the start of Book 2, which runs through Oct. 14.

The in utero produce fetched 200,000gns at this event last year and Thursday’s sale made the decision to retain the mare look that much better. Work All Week cont. from p1

Work All Week retires with a record of 19-13-4-1 that includes seven black-type victories and earnings of \$1,511,071. A two-time Illinois Horse of the Year, the 6-year-old gelding earned the Eclipse award for champion sprinter last term after a course-record setting victory in the 2014 Phoenix and a 19-1 upset of the GI Breeders' Cup Sprint at Santa Anita Nov. 1.

The chestnut kicked off this season with a pair of runner-up efforts in both the GIII Aristides S. at Churchill May 30 and the GII Smile Sprint S. at Gulfstream July 5. His sole victory of the season came in Mountaineer's Senator Robert C. Byrd Memorial S. Aug. 1 prior to his effort in the Phoenix last time.

"After all the tears, the good thing is that we still have the horse and he goes out as a reigning Eclipse champion, Breeders' Cup champion and the best sprinter ever in Illinois--and he doesn't go out in an ambulance," said Papiese. "You feel bad for the horse because all he wants to do is run and compete, but this is the right thing to do. We will keep him in [trainer] Roger [Brueggemann]'s barn for now and then possibly make him into a pony. He loves to be at the track."

KEENELAND, IFHA JOIN INTEGRITY COALITION

Both the Keeneland Association and the International Federation of Horseracing Authorities (IFHA) have joined the Coalition for Horse Racing Integrity in support of HR 3084, it was announced Thursday. The act, filed by Congressmen Andy Barr (R-KY) and Paul Tonko (D-NY) in July, aims to establish a federal, non-governmental racing regulatory organization headed by the United States Anti-Doping Agency.

Keeneland issued the following statement:

In a year that our industry and all of our participants are enjoying incredible excitement in racing, medication issues continue to dominate discussions. It is evident that a collective resolution to medication issues is essential for racing to continue the momentum we are experiencing in this historic year.

With the lack of action among many state jurisdictions with regard to uniform medication policies, it is apparent that federal legislation is necessary to provide our industry with a level

playing field across all borders as well as adequate testing measures to ensure the integrity of our sport. That is why Keeneland is proud to publicly support HR 3084 and become a member of the Coalition for Horse Racing Integrity.

We have listened to our racing patrons and horsemen, all of whom deserve uniform standards across all jurisdictions which provide a product to our fans that will allow the sport to grow and thrive.

As the world's leading marketplace for Thoroughbreds, we have also listened to our sales clients, domestically and internationally, and this legislation is essential to providing the uniformity and transparency that our consignors and buyers want and deserve.

We have already seen the positive effects of the constructive dialogue that has resulted from the filing of this legislation, and look forward to continuing to work with all members of our industry on this critical initiative so important for the future vitality of our sport.

The Coalition for Horse Racing Integrity issued its own statement in response to Keeneland's announcement.

"The addition of one of the nation's premier Thoroughbred race tracks to the Coalition for Horse Racing Integrity is another welcome demonstration of the industry's growing commitment to uniformity," the statement read. "Our shared goal is to ensure that we have a strong, credible medication oversight system that further ensures the safety of our athletes and enhances the confidence of our participants and fans."

Keeneland's announcement came on the heels of news that the IFHA had just joined the Coalition for Horse Racing Integrity.

"The whole world has endorsed our efforts," said Arthur Hancock, a co-founder of the Water Hay Oats Alliance (WHOA). "This is huge. For years and years we have been fighting for clean racing in America. IFHA's support will help us get there."

International representation in WHOA now numbers 85 members.

"Creating a uniform system for the regulation of medications in American horse racing is of critical importance," said Louis Romanet, chairman of the IFHA. "The international horse racing community must work together if we are to achieve high standards in testing and enforcement of our equine athletes to protect their health and ensure a safe environment.

He continued, "Since its creation, the IFHA has sought to protect the integrity, quality and fairness of horse racing worldwide in the interest of both the horses and the general public. We believe that the goal of this legislation is very much in line with our mission."

RMTC RESPONDS TO MOTION

The Racetrack Medication & Testing Consortium (RMTC) issued a response Thursday to trainer Graham Motion's [statements](#) following a ruling against him by the Kentucky Horse Racing Commission. A sample taken from the Motion-trained Kitten's Point (Kitten's Joy) following her victory in last April's GIII Bewitch S. at Keeneland revealed a presence of 2.9 nanograms per milliliter of plasma of the muscle relaxant methocarbamol (Robaxin)--above the 1 ng/ml threshold in Kentucky. Motion was suspended five days by the KHRC and fined \$500, and Kitten's Point was disqualified from purse money.

Dr. Dionne Benson

Motion, who has appealed the decision, claims that Kitten's Point received her final dose of Robaxin a full week out from the Bewitch--the recommended withdrawal time for the medication is 48 hours--and called into question the merit of recommended withdrawal times.

"The methocarbamol threshold is recommended by the RMTC and included in the Controlled Therapeutic Medication list that is part of the National Uniform Medication Program," said Dr. Dionne Benson, Executive Director of the RMTC. "The recommendation is based upon research that is published in Rumpler, M., et al., *The pharmacokinetics of methocarbamol and guaifenesin after single intravenous and multiple-dose oral administration of methocarbamol in the horse*, J. Vet. Pharmacol. Therap., 37(1): 25-34 (Feb. 2014). The threshold is based upon a single 15 mg/kg intravenous dose, but a subset of the horses was also subject to an additional oral dose regimen of 5 grams of methocarbamol every 12 hours for five doses. At 48 hours, all oral dose horses were below 1 ng/ml of plasma with the highest concentration being at 0.5 ng/ml of plasma."

Benson's statement continued, "These treatment protocols were set based upon a survey of AAEP practitioners, as is our standard practice. Practitioners indicated a range of doses and a range of treatment protocols--including, in some cases, a single 48-hour pre-race administration of methocarbamol intravenously. Many protocols and treatment plans are possible for horses. The RMTC publishes specific dose and route of administration protocols to provide the practitioner and trainer information on how to meet the regulatory threshold using the listed withdrawal guidelines.

"If a trainer or veterinarian elects to administer a higher dose, use a different route of administration, or a longer duration of treatment than described in the recommendation, the withdrawal guideline will not apply to their situation. It is

imperative that when a trainer elects to deviate from the threshold protocol that they do so in consultation with their veterinarians or--as permitted in Kentucky and other states--submit a sample for analysis prior to entry to help ensure the medication concentration is below the regulatory threshold. Depending on drug, especially oral preparations, there is always the possibility a horse was mistakenly treated or not all drug treatments were recorded."

RACE DAY TO SPENDTHRIFT

Matthew Schera's GII Oaklawn H. winner **Race Day** (Tapit--Rebalite, by More Than Ready) will stand the 2016 breeding season at B. Wayne Hughes's Spendthrift Farm and will participate in the operation's "Share The Upside" program, it was announced

Thursday. The Todd Pletcher trainee, who also annexed the GIII Razorback H. in March, is being pointed to Keeneland's GII Fayette S. Oct. 30. The 4-year-old, who currently sports earnings of \$613,450 from a 10-5-1-2 record, is

expected to retire at the end of the year. Race Day's "Share The Upside" fee will be \$8,500 for a one-year commitment. Breeders will earn a lifetime breeding right to Race Day after having one live foal and paying the stud fee.

"We really made it a priority to be able to offer breeders a top son of Tapit through our 'Share The Upside' program, and Race Day has shown he's one of the most talented Tapits coming off the racetrack this year," said Spendthrift general manager Ned Toffey. "For \$8,500, we're giving people the opportunity to have a foal in 2017 and then receive a lifetime breeding right in an exciting son of Tapit. We don't believe there's a better offer under \$10,000 in the industry, and we feel like Race Day will prove to be very popular."

A \$285,000 horse-in-training purchase at the 2004 Keeneland November Sale, Race Day is a half to MSP Banded (Bandini) out of a half-sister to MGISW Lite Light (Majestic Light).

Spendthrift will also be offering "Share The Upside" participants an opportunity to breed a second mare to Race Day for \$3,500, stands and nurses in each of his first three years at stud. For breeders not interested in the "Share The Upside" program, Race Day will be offered for \$7,000 on a standard stands and nurses contract. All fees are subject to change pending race results.

‘PHAROAH’ REMAINS ATOP WBR RANKINGS

Despite victories over the past month by **Golden Horn (GB)** (Cape Cross {Ire}) and **Treve (Fr)** (Motivator {GB}), Triple Crown winner **American Pharoah** (Pioneerof the Nile) retains a rating of 131 and remains atop the Longines World’s Best Racehorse Rankings.

While the Zayat Stables runner is on track for a career-ending run in the GI Breeders’ Cup Classic at Keeneland Oct. 31, Golden Horn has kept a busier schedule, with victories in the G1 Irish Champion S. at Leopardstown and more recently in the G1 Qatar Prix de l’Arc de Triomphe at Longchamp. He is rated one pound inferior to American Pharoah and is seven points clear of **Free Eagle (Ire)** (High Chaparral {Ire}) in the intermediate turf category. Golden Horn is currently under consideration for a start in the GI Breeders’ Cup Turf on Halloween.

Treve, winner of the G1 Prix Vermeille Sept. 13, was retired from racing following her fourth-place effort behind Golden Horn when looking for a third consecutive victory in the Arc. She sits on a rating of 126 and is therefore rated three points superior to **Flintshire (GB)** (Dansili {GB})-- who filled the runner-up spot in the Arc for the second straight year--in the long turf category.

Though he is unraced since his unplaced effort behind **Solow (GB)** (Singspiel {Ire}) in the G1 Queen Anne S. at Royal Ascot this past June, Hong Kong-based **Able Friend (Aus)** (Shamardal) is the world’s highest-rated miler on 126, with Solow a point behind. With an eye on a title defense in the G1 Longines Hong Kong Mile Dec. 13, Able Friend is tentatively scheduled to make his seasonal reappearance in the Premier Bowl H. over 1200 meters Oct. 25. Solow is pointing for the G1 Queen Elizabeth II S. at Ascot Oct. 17.

Australian galloper **Lankan Rupee (Aus)** (Redoute’s Choice {Aus}) holds the mantle of world’s top-rated turf sprinter on a rating of 123 pounds. The 6-year-old, winner last season of the G1 Manikato S. and G1 Lightning S., will make his first start off a six-month hiatus in Saturday’s 1100-meter G2 Schillaci S. at Caulfield. **Brazen Beau (Aus)** (I Am Invincible {Aus}) is next on 120. The dirt sprint category is led by **Private Zone** (Macho Uno), who makes his next appearance in the GI Breeders’ Cup Sprint at Keeneland.

MILE IN MIND

Following the success of her stable companion Ballydoyle (Ire) (Galileo {Ire}) in Sunday’s G1 Prix Marcel Boussac, **Minding (Ire)** (Galileo {Ire}) will be a tough nut to crack in Friday’s G1 Dubai Fillies’ Mile at Newmarket.

Second to that barnmate in the seven-furlong G2 Debutante S. at The Curragh Aug. 22, Susan Magnier’s daughter of the accomplished Lillie Langtry (Ire) (Daneshill Dancer {Ire}) reversed that form in the Sept. 13 G1 Moyglare Stud S. back over that same track and trip, where fellow Aidan O’Brien trainee Alice Springs (Ire) (Galileo {Ire}) was back in third before running a close-up fourth in the G1 Cheveley Park S. and winning the £300,000 Tattersalls Millions 2yo Fillies’ Trophy here.

Minding | Racing Post

Despite Minding’s impeccable credentials, this is a strong renewal and far from a closed case with another from her operation in the Sept. 27 G3 C.L. & M.F. Weld Park S. scorer **Coolmore (Ire)** (Galileo {Ire}) and also Godolphin’s **Promising Run** (Hard Spun) who is a solid contender based on her latest win in the G2 Rockfel S. over seven furlongs here Sept. 25.

“I know it’s only two weeks since her last run, but she has come back well,” trainer Saeed bin Suroor said of Promising Run. “She worked well a few days ago and came back happy and fresh, which is a good sign, and that is the reason I am running her. She is a quiet filly and easy to train and has always looked nice, but early season she was a bit weak and that is why we have given her time. She has done well physically and maybe after this race she will go to Dubai, but it depends how she runs. She is similar to [the 2010 Fillies’ Mile winner] White Moonstone in the way she works in the morning, but she was a more forward filly where she is one for next year, really. The way she works, she has a good turn of foot and I think her best trip will be a mile and a quarter.”

PLACED IN TRUST

After the immense promise of her debut win over seven furlongs at Kempton Sept. 21, Cheveley Park Stud's **Queen's Trust (GB)** (Dansili {GB}) bids to justify 'TDN Rising Star' status in Friday's G3 Vision Oh So Sharp S. at Newmarket.

One of two from the Sir Michael Stoute stable alongside The Queen's course-and-distance maiden winner **Diploma (GB)**

(Dubawi {Ire}), the homebred looked a potential class act on the Polytrack and is one of a clutch of unexposed fillies to excite in their maidens.

They also include Godolphin's **First Victory (Ire)** (Teofilo

{Ire}), a half-sister to Ihtimal (Ire) (Shamardal) who beat experienced rivals over this track and trip Sept. 26, and Salem Rashid's **Aljuljalah** (Exchange Rate). The latter was also making her racecourse bow when winning the second division of that maiden for the Roger Varian stable and her trainer said, "Aljuljalah had been working well prior to her debut win and I have been pleased with her since. It is a step up in grade, but she is a filly we have always liked and we feel she deserves to take her chance at this level."

Interestingly, Kirsten Rausing's **Alamode (GB)** (Sir Percy {GB}) had the subsequent G2 Rockfel S. winner Promising Run (Hard Spun) back in third when graduating over six furlongs at Goodwood last time July 29 and is bred to appreciate this extra distance.

"The form of her Goodwood race has worked out quite well and from an owner-breeder's point of view we didn't see much point in running in a conditions race, so we've just been waiting with her since really," trainer Marcus Tregoning explained. "This is only her third run, so hopefully she'll improve and if she could get some black-type it would be fantastic. She'll go on any ground and the breeding on her dam's side suggests she should get the extra furlong. Hopefully she'll show up and run extremely well. She's in good form and has certainly been working well."

Having annexed a Sept. 14 firsters' test by 1 1/4 lengths over this course and distance in his only prior start, Candide safely negotiated this transition into black-type company with a snug win to keep his perfect tally intact. The homebred bay maintained a stalking role in a close-up third from the break in this often-informative pointer. Traveling sweetly under a tight hold until allowed an inch of rein at the top of the straight, he was pushed along at the quarter-mile marker and asserted under whipless cajoling in the closing stages to comfortably register a third straight renewal for Andre Fabre and extend the master trainer's winningest record in the contest to nine.

DISSIDENT NAMED AUSSIE HOY

On the strength of four Group 1 successes, **Dissident (Aus)** (Sebring {Aus}) was named Australia's Horse of the Year Thursday, adding the national honor to his title as Victorian Horse of the Year. It is the fifth time in six years that a horse trained by Peter Moody has been recognized (Typhoon Tracy, 2010; Black Caviar, 2011-2013).

Voting takes place among 56 racing media and handicappers and takes into account all performances on Australian soil, as well as international efforts by locally trained runners.

With top-level scores in the Memsie S., Makybe Diva S., C. F. Orr S. and All-Aged S., **Dissident**, who now stands at Newgate Stud, collected 119

votes, 61 more than **Brazen Beau (Aus)** (I Am Invincible {Aus}), who was named champion 3-year-old. **Contributer (Ire)** (High Chaparral {Ire}) (31), the champion middle-distance horse and Western Australian filly **Delicacy (Aus)** (Al Maher {Aus}), the champion 3-year-old filly, were third and fourth in the voting, respectively. **Dissident** was also named champion sprinter over **Brazen Beau**.

Vancouver (Aus) (Medaglia d'Oro), impressive winner of the G1 Golden Slipper S. in the fall, easily outpointed **Pride of Dubai (Aus)** (Street Cry {Ire}) to be named champion 2-year-old, while **Protectionist (Ger)** (Monsun {Ger}) earned champion stayer honors for his four-length victory in the G1 Melbourne Cup.

Coolmore's Fastnet Rock (Aus) was named champion sire, while Hugh Bowman and Chris Waller were recognized as champion Group 1 jockey and trainer, respectively.

Good Sale or Not, Industry Must Come to Aid of Breeders Yes, there has been a positive vibe so far this week at the Lexington Sale, particularly after the first night...yet somehow the industry has decided to spend this money in a manner that makes no sense, has created a critical horse shortage and has left a very important segment of the industry, the breeders, fighting for survival. **Bill Finley, Harness Racing Update**

PIRELLONE (c, 2, [Gio Ponti](#)--Eyepopnruby, by Take Me Out), a \$150,000 FTSAUG yearling, was collared late and beaten just a neck in his seven-furlong debut at Saratoga Sept. 5. The 1-5 favorite sprinted out to the early lead and had a clear advantage through fractions of :22.64, :45.32 and 1:09.58. He carried a four-length advantage into the stretch, but began to tire in deep stretch as Patrick's Day (Harlan's Holiday), last in the early going, was closing powerfully to just miss catching the pacesetter. Owned by Paul Saylor's PHS Racing, Pirellone is the fourth winner for his freshman sire (by Tale of the Cat). He is a half-brother to Midnight Serenade (Bandini, SW, \$115,128). Millennium & Madden Form Buckland Sales:

Ro Parra’s Millennium Farms and bloodstock specialist Zach Madden have teamed up to create Buckland Sales, which will offer its initial consignments of weanlings and racing or broodmare prospects at the 2015 November bloodstock sales. Buckland will be located at Millennium Farms, and will be the primary consigner for the farm, while also being available to outside clients. Buckland will be focused on the major North American yearling and breeding stock sales.

A Lexington native, Madden previously worked for his grandparents’ On the Rocks Farm before pursuing a degree in business management at the University of Kentucky, while working for Three Chimneys Farm. During his 10-year tenure at Three Chimneys, he rose to the position of Director of Client Development before joining forces with Ro Parra’s Millennium Farms to form Buckland Sales.

Zach Madden | Buckland Sales

“We originally brought Zach on for many reasons, one being that we felt he was the perfect fit to further our initiative on customer service and another being that we thought he would be a great fit in building our sales consignment,” said J. Ted Neel, Business Manager of Millennium Farms. “Once he was on board, we soon realized we could double down on the consignment front together and build something that was much larger than an in-house agency. The result is Buckland Sales.”

Added Madden, “I can remember doing night checks with my grandparents at their farm. I just took it all in, and if I close my eyes I can still picture it--the sounds, the smells, every detail. It captured me. Buckland’s first consignment is full of prospects for every buyer. We’ll offer weanlings by the right horses, mares in foal with quality, and some interesting racing and broodmare prospects that buyers could go either way with.”

For more information on the Buckland consignment, or on Buckland Sales, go to www.bucklandsalesagency.com.

OBSERVATIONS

on today's European racing scene

1.50 Chantilly, Debutantes, €25,000, 2yo, f, 9fT

ROSE HIGHNESS (IRE) ([Galileo {Ire}](#)) starts out for Ecurie des Charmes and Andre Fabre less than a week after her half-brother Free Port Lux (GB) (Oasis Dream {GB}) captured the G2 Prix Dollar at Longchamp and is the latest progeny out of the 2007 GI Beverly D S. heroine Royal Highness (Ger) (Monsun {Ger}). She is joined by stable companion **Lorgnette (Fr)** ([Galileo {Ire}](#)), a Markus Jooste and Bernard Kantor-owned filly whose dam is a GSP half-sister to 2003 GI Shadwell Turf Mile winner Perfect Soul (Ire) (Sadler's Wells).

2.20 Chantilly, Debutantes, €25,000, 2yo, c/g, 9fT

ESTIKMAAL (IRE) ([Oasis Dream {GB}](#)) starts out for Sheikh Hamdan bin Rashid Al Maktoum and Freddy Head in the aftermath of the G1 Prix de la Foret success of his esteemed half-brother Make Believe (GB) (Makfi {GB}), also the winner of this year's G1 Poule d'Essai des Poulains. The 400,000gns TAOCT purchase, whose other accomplished half-sibling Dubawi Heights (GB) (Dubawi {Ire}) was a dual top-level scorer in the States, meets another newcomer with Classic-winning connections in the Alain de Royer-Dupre-trained **Charismatic Man (Ire)** ([Dalakhani {Ire}](#)), a full-brother to the stable's 2011 G1 Prix du Jockey Club hero Reliable Man (GB).

4.15 Newmarket, Mdn, £25,000, 2yo, f, 7fT

KHALEESY (IRE) ([Galileo {Ire}](#)) is just one of a bunch of regally bred newcomers taking part in this valuable maiden, but is easily the most immediately fascinating, being a daughter of the stellar sprinter Fleeting Spirit (Ire) (Invincible Spirit {Ire}). Al Asayl Bloodstock Ltd's 300,000gns Goffs foal purchase, whose dam peaked when winning the 2009 G1 July Cup here, represents the

John Gosden stable and encounters Saleh Al Homaizi and Imad Al Sagar's **Fol O'Yasmine (GB)** ([Dubawi {Ire}](#)), a William Haggas-trained half-sister to the 2009 G2 Diadem S. scorer Sayif (Ire) (Kheleyf), as well as Khalid Abdullah's **Vaunting** ([Exchange Rate](#)), a Sir Michael Stoute-trained sister to this year's G3 Dahlia S. scorer Bragging.

Opening up with a cozy victory going seven panels at La Teste de Buch on debut July 28, Almanzor easily doubled his tally when upped to one mile at Clairefontaine last time Aug. 21, and continued on the upgrade with a decisive success in this black-type bow. Steadied six lengths off the speed in a patient fourth for the most part, he made stealthy headway once into the stretch run to lead approaching the final eighth and was pushed out in the closing stages to easily register a career high. "He was very impressive today winning the race," enthused winning trainer Jean-Claude Rouget. "I always thought this colt would follow the Classic route next year, and he will be pointed toward the Poule d'Essai des Poulains and the Jockey Club. He was relaxed today, so he should stay the trip." Almanzor is the first black-type winner for his freshman sire (by Iffraaj {GB}), who stands at Haras d'Etreham. "He was the best colt by the sire that we had on the farm-- a big, tall dark bay horse with a good walk," commented Nicolas de Chambure of Haras d'Etreham. "We sold him as a yearling in August to Jean-Claude, who bought him for €100,000, and we were very happy to see him go to him." Almanzor is slated to get the rest of the year off.
