

COUNTER ATTACK

Cross Counter cruises in the Gordon | *Racing Post Photo*

What looked a trappy four-runner renewal of Goodwood's G3 Qatar Gordon S. beforehand turned out to be anything but in practice as Godolphin's **Cross Counter (GB)** (Teofilo {Ire}) bossed the contest to put the G1 Epsom Derby runner-up **Dee Ex Bee (GB)** (Farhh {GB}) firmly in his place. This race has long served as a trial for the G1 St Leger, but with the winner being unable to run in that Classic due to the fact that he is a gelding it shed more light on the frailties of those going to Doncaster. Coming off a success in Ascot's Woodford Reserve H. July 14, the 7-4 second favourite was allowed to stride to the front soon after the start by William Buick. Always comfortable there, he readily drew clear of the 6-4 market-leader Dee Ex Bee from before the furlong pole and hit the line in course record time with 4 1/2 lengths to spare.

"That was a lovely performance from him and he's not the finished article yet," his rider said. "He stays in training and it will have opened a lot of doors for him now. He's very talented and is only going to improve. We went an even gallop and it was not a falsely run race by any means and he quickened from the front and was relentless to the line."

Unleashed at Wolverhampton Dec. 9, Cross Counter got off the mark despite exhibiting greenness and showed the benefit of that experience when following up by eight lengths at the same venue Jan. 22. Gelded after, he reappeared to be second to the subsequent impressive Ascot handicap winner Elwazir (GB) (Frankel {GB}) in a 10-furlong Sandown novice contest June 7 before running fourth in the King George V S. over this trip at the Royal meeting a fortnight later. PIERATA TURNS TABLES IN MISSILE

In two head-to-head battles last season, **Pierata (Aus)** (Pierro {Aus}) could not quite solve Godolphin's **Kementari (Aus)** (Lonhro {Aus}), finishing a length behind that foe in Rosehill's G2 Hobartville S. (1400m) last February before going down to a 1 1/2-length defeat in the G1 Randwick Guineas (1600m). While Kementari raced twice more at three, Pierata called it a season and resumed in the best imaginable way Saturday afternoon with a narrow success in the G2 Missile S. at Randwick.

One of the first to break the line, Pierata eased back into the one-by-one position with cover behind **Music Magnate (NZ)** (Written Tycoon {Aus}) as Kementari was allowed to find his feet in the latter half of the field while buried down inside. The favourite found a bit of traffic at midway, but Pierata had no such obstacles, as he was pulled out by James McDonald into the three path off the home corner to deliver his challenge. Glyn Schofield followed Pierata's move into the lane, but was hemmed in by the hulking **Takedown (Aus)** (Stratum {Aus}). Daylight came at the 200m, but Pierata had the jump from his handier position and Kementari's late lunge fell just short.

Stepping up again to win the Woodford Reserve, he exposed
Dee Ex Bee's increasing unwillingness to stretch out on this
summer ground with a ruthless display.

Alex Merriam, assistant to Charlie Appleby, commented, "He's
a big raw horse and I think there is some more improvement to
come. He's been gelded--he was a bit of a boy back in the day
and Charlie thought it was the best thing to do. He's seen out
this trip really well, and liked the ground as he is by Teofilo.
Speaking just now to Charlie, a trip to Australia might be in his

Pedigree Notes...

The maiden dam Waitress (Kingmambo) hails from the family
of Thursday's G2 Richmond S. winner Land Force (Ire) (No Nay
Never), as she too descends from Rahaam (Secreto). The second
dam Do the Honours (Ire) (Highest Honor {Fr}), who captured
the G3 Prix de Meautry, was a half-sister to Seba (GB) (Alzao)
who took the Listed Chesham S. and finished third in the GI
Mother Goose S. Their respective dam Persian Secret (Fr)
(Persian Heights {GB}) was one of several black-type winners out
of Rahaam, whose descendants include Cassandra Go (Ire)
(Indian Ridge {Ire}), Verglas (Ire) (Highest Honor {Fr}), Halfway to
Heaven (Ire) (Pivotal {GB}), Rhododendron (Ire) (Galileo {Ire})
and Photo Call (Ire) (Galileo {Ire}). Waitress's 2-year-old filly Bali
Beach (GB) (Farhh {GB}) was bought for just 3,500gns at the
Tattersalls December Foal Sale by Alvaro Soto, while she also
has a yearling filly by Helmet (Aus).

INVOLVING THE MANY OVER THE FEW

by Jack Cantillon

One year, five months, and five days. The difference in time between the two defining moments in a lifetime of racing, the birth of Sheikh Mohammed and John Magnier. To understand tomorrow's racing pioneers, where does it begin for our two greatest? Sheikh Mohammed rode bareback races with his friends on the sands of Jumeirah Beach and John Magnier took charge of his family farm aged 15 after the untimely death of his father. Today, where will the defining moment of inspiration be for the next generation? I haven't seen Mark Zuckerberg or Elon Musk at Golden Gate Fields lately. As a society we are moving away from generations whose parents or grandparents may have been on a farm and through urbanization, society's connection with the horse will be challenged. We need to re-engage the masses with the sport we love. That is why I believe our future may not be embodied in a person's singular brilliant vision, but in our pivot as an industry to ever involving the many not the few in the journey of the racehorse.

Jack Cantillon

Write down the goals you'd like to achieve in racing. That win at your local track. Prevailing in the race you sponsor. Go on, put it down—that Triple Crown victory. How much easier, how much economic sense and how much more fun it would be to do it with others. Racing is grasping the opportunity—syndicates are up 43% in Ireland this year according to HRI and Australia registered almost 80,000 owners in 2017 up from 68,000 just five years previously. Yet it cannot be understated, nurturing this positivity globally and capturing the collective is the greatest challenge racing faces today.

In today's social media empowered society, using the right tools, the many can now beat the mighty. Alexandria Ocasio-Cortez was a 28-year-old part-time bartender when she decided to launch her bid for Congress. Her rival for the Democratic nomination was Joe Crowley, one of the most powerful political figures in the country. The Ocasio-Cortez campaign could only spend \$194,000 to the Crowley campaign's \$3.4 million. However, Joe was old politics, Alexandria knew how to play a different game to a new generation that racing now needs to learn. Nearly 75% of her donations were small individual contributions, while less than 1% of Crowley's contributions were. [Cont. p4](#)

Cantillon cont.

Just as racing must, she empowered those that were small but no less passionate to amplify her message on social media. She understood the superior impact a passionate pack can have over a powerful person in the digital age. Against all odds, she is now set to be the youngest woman ever elected to Congress.

Racing, by harnessing a collective connection like Ocasio-Cortez, can redefine how to gain interest in the sport. Instead of being dependent on powerful interests, racing needs that pathway for that passionate pack to be involved. In Australia, our undoubted most thriving racing nation, more than half their owners are over 50 according to the latest Racing Australia Fact Book. It's important we find building blocks of involvement to allow those in their 40s, 30s and even 20s to consider horse racing ownership as a tangible option. These generations wouldn't blink in renewing their sports teams' season tickets or continuing their Spotify subscription. Done right, racehorse ownership has an incredible stickiness--once you're in, you're in for life. However, it's greatest challenge is getting that initial flirtation. Racing needs a swipe right. A bareback race down Jumeirah Beach might not still produce our greatest global pioneer (might also be a bit busier now), but we must innovate relentlessly to find the new tap into this generation.

Our greatest challenge should be a piece of cake. Innovative tiers of the capital structure's cake can reflect what the participants truly want from a racehorse. SF Bloodstock selling their racing rights to Starlight Racing and Head of Plains Partners in Justify (Scat Daddy), but retaining the breeding rights is a prime example--the high-risk, long-term yield-chasing breeding rights retainers supported in their pursuits by the thrill-seeking but perhaps more financially cautious lease holders.

A global sales ring can always guarantee one thing--a glum breeder after their pride and joy failed to meet their expectations. Farmers for generations have innovated around this issue by forming a co-op of the many so that if their crop was below expectations or suffered a veterinary issue, their neighbour would help them out. A breeder's cooperative repackaging horses together embodies that capital innovation and it is needed. This can deliver a more risk adjusted and fun result for their owners who have put so much into their development only to be disappointed in the ring.

Three Group 1 winners at Royal Ascot didn't sell as yearlings at the Tattersalls October Sales--Accidental Agent (GB) (Delegator {GB}), Without Parole (GB) (Frankel {GB}) and Stradivarius (Ire) (Sea The Stars {Ire}). While those were raced on by their breeders, more can be done to play a more active role and take this forgotten talent pool to the races. We have been focused too long on selling the private plane. Racehorses, as has been noted on many a gallop, are like aeroplanes. On most planes, there's first class, business and economy on the plane you're on for a reason.

To accomplish our goals, perhaps, racing should look between the goals too. Real Oviedo was a maiden claimer of a Spanish football club, rarely in the top flight of Spanish football. In 2006, a man named Alberto González took a controlling share in the club--he proceeded to not pay taxes, buy a team bus that didn't fit in the grounds the team played in and disappeared into the

night. Oviedo found itself in need of €1.9 million or the club would be foreclosed--robbing the proud northern Spanish city of their mediocre but beloved side. Where to turn then? The people themselves. A special fan-focused, social-media focused share issue was launched. In two weeks €1.93m worth of shares were bought by more than 20,000 people in more than 60 countries. What's more, the story caught the attention of Carlos Slim, one of the richest men in the world. He

Triple Crown hero Justify is owned by multiple parties | Horsephotos

invested an extra €2 million and has continued his investment since then.

Extreme wealth and the passionate fan cheering the same horse, now that's a story that should get our attention. Like Oviedo, racing needs to create opportunities to involve the public. A syndicate can be set-up with the expressed intention to raise funds to accomplish an audacious goal like win the G1 Melbourne Cup. Opportunities certainly arrive, ante post favourite Withhold (GB) (Champs Elysees {GB}) cost just £170,000 at the Tattersalls Horse in Training sale and Ian Williams's contender Magic Circle (Ire) (Makfi {GB}) was a snip at £70,000 a year later. Under this year's new prize-money system, connections receive \$150,000 if they finish in the top 12, let alone take home the winner's A\$4 million in prize-money and trophies worth \$250,000. A runner in the Melbourne Cup? That's a crowd we all want to be in.

Cantillon cont.

Ultimately, journeys together--not alone--can take you special places. Just ask WinStar, China Horse Club, SF Bloodstock, Head of Plains Partners and Starlight Racing. That day at Belmont, they knew something the rest of the crowd didn't. Frank had it wrong. *If I can make it there, I'll make it anywhere.* To win in New York, Frank had to start with "we". Start with the many not the few. It's not a difficult decision to Justify.

QUALITY CASTING

Brando | *Racing Post Photo*

Deauville host a fascinating and wide-open renewal of the G1 LARC Prix Maurice de Gheest on Sunday, the only 6 1/2-furlong race of its nature in Europe and one which fits a perfect niche for the staying sprinters and the faster milers. It obviously suited **Brando (GB)** (Pivotal {GB}) 12 months ago as he upstaged the seven-furlong specialist Aclaim (Ire) (Acclamation {GB}) and Angie Bailey's rock-solid performer comes back off arguably a better performance in the G1 July Cup than he did last year. Runner-up to U S Navy Flag (War Front) in the July 14 Newmarket feature, he is re-opposed by the third-placed **Fleet Review** (War Front) and the race's main disappointment **Sands of Mali (Fr)** (Panis). The latter was 12th of 13, perhaps giving his clearest sign that he had had enough of fast ground, having previously run second on it in the G1 Commonwealth Cup at Royal Ascot June 22. Successful in last year's G2 Gimcrack S. at York and the May 26 G2 Sandy Lane S. at Haydock, the Cool Silk Partnership's standard-bearer needs a win at the highest level and trainer Richard Fahey believes it is around the corner. "To be honest he didn't run any race at Newmarket, but he has done that before and has bounced back," he said. "We are very happy with him and he is in great form. I can't find any reason for his

last run. Whether he was on the wrong side and came up the wrong strip, I don't know, but he is great order now. He had an off-day, we all have them."

France's main hope looks to rest with the May 13 G3 Prix de Saint-Georges winner **City Light (Fr)** (Siyouni {Fr}), who went so close to taking the G1 Diamond Jubilee S. back home with him last time, and a pair of Freddy Head-trained 3-year-old fillies. The former was denied in a bobber by Merchant Navy (Aus) (Fastnet Rock {Aus}) in that June 23 Royal Ascot feature and Ecurie Jean-Louis Bouchard's 4-year-old appears still to be on the upgrade. Head, who has saddled both Marchand D'Or (Fr) (Marchand de Sable) and Moonlight Cloud (GB) (Invincible Spirit {Ire}) to win three of these apiece, thinks there is little between **Polydream (Ire)** (Oasis Dream {GB}) and **Efaadah (Ire)** (Dansili {GB}). The stable won this meeting's opening group 1, the Rothschild, with **With You (GB)** (Dansili {GB}) on Sunday and both fillies are strong contenders.

Polydream was second in the G1 Prix Marcel Boussac at Chantilly in October and bounced back from an unplaced effort in the G1 Poule d'Essai des Pouliches at ParisLongchamp May 13 when beating **Inns of Court (Ire)** (Invincible Spirit {Ire}) in the latter venue's seven-furlong G3 Prix du Palais-Royal June 2. **TDN Rising Star** Efaadah also beat Inns of Court in the G3 Prix de la Porte Maillot over seven at ParisLongchamp June 30, so there is very little between them. "I'm very confident [about Polydream]," Head said. "She ran over a mile last year and it is hard to say she didn't stay given how the form has worked out, but she's always shown me lots of pace. When Wild Illusion beat her in the Boussac she picked up an injury that day, that was why she never ran again before the Pouliches. In the Pouliches it was a rush to get her there, she had a bad draw and she pulled too hard. It's easy to forget the race. We saw the real Polydream last time, that form is strong. My other filly has a good chance and I don't think there's much between them at all." Also thrown into the mix are a trio of group 1 winners in **The Tin Man (GB)** (Equiano {Fr}), **Librisa Breeze (GB)** (Mount Nelson {GB}), **Unfortunately (Ire)** (Society Rock {Ire}) for an edition that stands up to any in recent history.

At Dusseldorf, the G1 Henkel-Preis Der Diana, or German Oaks, Stall Ullmann bids to end a long drought with the June 10 G2 Diana Trial winner **Well Timed (Ger)** (Holy Roman Emperor {Ire}). The authority of the bay's success in that 10-furlong Hoppegarten prep suggests she will be hard to beat as she also looks to provide trainer Jean-Pierre Carvalho with a first Diana victory. Andreas Wohler has won three of the last four renewals and puts forward a quartet of which Jaber Abdullah's June 10 G2 Oaks d'Italia heroine **Sand Zabeel (Ire)** (Poet's Voice {GB}) appears the chief contender.

Crimson Rosette, who closed term with victories at Windsor and Lingfield, backed up a May 19 Doncaster handicap success with a second in Haydock's June 9 G3 Pinnacle S. and a fourth in the June 30 Listed Fred Archer S. over this course and distance last time. Positioned in a midfield fifth until beyond halfway, she weaved a passage to loom large approaching the two pole and was ridden out inside the final quarter mile to register a career high in ultimately snug fashion.

Crimson Rosette is one of two winners from as many runners out of Crimson Ribbon (Lemon Drop Kid) and she is a half-sister to stakes-winning G3 Neville Sellwood S. runner-up Astronomos (GB) (New Approach {Ire}), the unraced 3-year-old filly Ray of Sunshine (GB) (Dawn Approach {Ire}), a 2-year-old colt by Intello (ger) and a filly foal by Gleneagles (Ire). Crimson Ribbon is herself a daughter of Listed Prix Coronation placegetter Victoria Cross (Ire) (Mark of Esteem {Ire}) and she is thus kin to a quartet of black-type performers headed by G2 Hardwicke S. and G2 Jockey Club S. victor Bronze Cannon (Lemon Drop Kid) and G2 King Edward VII S. hero Across the Stars (Ire) (Sea the Stars {Ire}).

4th-Goodwood, £250,000, Hcp, 8-4, 3yo/up, 6fT, 1:09.56, g/f. **GIFTED MASTER (IRE)** (g, 5, **Kodiak {GB}**--**Shobobb {GB}**, by **Shamardal**), who as a 2-year-old had captured the seven-furlong £500,000 Tattersalls Millions 2yo Trophy and G3 Autumn S. over a mile at Newmarket, went on to add three more black-type successes to his portfolio over six furlongs with the 2016 G3 Pavilion S. at Ascot the pick. As he lined up under joint-top weight for this prestigious Stewards' Cup H. which is one of the

main events of the week at the festival, the bay had started just once in a handicap throughout his career when successful over this trip at Newmarket May 6 but a class drop was required after his latest 10th in Royal Ascot's G1 King's Stand S. June 19. Beginning in his customary position at the head of affairs under five-pound claimer Jason Watson, the 20-1 shot was passed by Justanotherbottle (Ire) (Intense Focus) with two furlongs remaining and was two lengths down soon after. Continuing his relentless momentum, the bay managed to re-engage with that rival and force the win in the final stride by a short head. "This is a group three/group two horse and a really solid 110-112 performer and what is amazing is that he has come back and done it each year," trainer Hugo Palmer said. "Any winner at these big meetings is worth 20 anywhere else. When you consider he was our first two-year-old winner and has won at three, four and now a Stewards' Cup at five, it's incredible. A huge word for the jockey, too, it's been the plan for a long time. I spoke to his agent three weeks ago about booking him, but I was getting nervous as he edged towards a three-pound claim. I think I'd probably have let him ride him still, but he clearly wouldn't have won with two pound more." At a festival where some new faces among the jockeys' ranks came to the fore, Watson was another and he added, "On form he was the best horse and I'm absolutely delighted. I walked the track earlier and the ground is pretty much untouched in the middle, so I just went for the better ground and he loved every minute." The dam, who also has a 2-year-old filly by Sir Prancealot (Ire), is a daughter of the listed winner and G1 Poule d'Essai des Pouliches third Belle Argentine (Fr) (Fijar Tango {Fr}) and therefore a half to the G3 Cornwallis S. winner and G2 Cherry Hinton S. runner-up Alzerra (UAE) (Pivotal {GB}). Shaken up at the top of the straight, the 1-3 chalk was ridden out inside the final quarter mile to stop the clock 3 1/4 lengths ahead of Emphatic (Ire) (Epaulette {Aus}). Full-brother to a filly foal, he is one of three winners out of Listed Marygate S. victress Bahamian Babe (GB) (Bahamian Bounty {GB}), herself produced by a half-sister to GSW sires Atrif (GB) (Clantime {GB}) and Son Pardo (GB) (Petong {GB}). DUBAI BEAUTY (IRE) (f, 2, Frankel {GB}--Minidress {GB} {SP-Eng}, by Street Cry {Ire}) raced in a prominent second after a slick getaway in this unveiling. Niggled along to challenge with 2 1/2 furlongs remaining, the well-backed 3-1 third choice kept on resolutely under a drive up the hill to deny Posted (GB) (Kingman {GB}) by 1 1/2 lengths. She is the third foal and second winner produced by Listed Height of Fashion S. runner-up Minidress (GB) (Street Cry {Ire}), and the homebred bay is a half-sister to Listed Cairn Rouge S. third Petticoat (GB) (Cape Cross {Ire}) and a colt foal by Dubawi (Ire). Scrubbed along to close approaching the two pole, the crowd's 1-3 pick came under sterner urging entering the final eighth and was driven out to outpoint Dancing On A Dream (Ire) (Dream Ahead) by a length. Half-brother to the yearling colt Beaufour (Fr) (Rajsaman {Fr}), he is one of three scorers produced by G1 Prix Maurice de Gheest third Belliflore (Fr) (Verglas {Ire}), from a family featuring G1SW sire Al Hareb (El Gran Senor). WILLIE JOHN (GB) (c, 3, Dansili {GB}--Izzi Top {GB} {G1SW-Fr & Ire, MGSW & G1SP-Eng, \$734,076}, by Pivotal {GB}), who had won with panache on debut for Markus Jooste and China Horse Club and the William Haggas stable at Yarmouth in October, became headline news when selling to Sheikh Mohammed Obaid Al Maktoum for 1.9million gns at Tattersalls February but had needed time and patience to make his debut for that partnership. Anchored in a share of fourth by Andrea Atzeni early, the even-money favourite was delivered to lead passing the quarter pole. From there, it was very straightforward and the bay was smooth en route to a five-length dismissal of Hidden Depths (Ire) (Dark Angel {Ire}). From an amazing Meon Valley Stud dynasty, the winner is a half-brother to the sprinter Dreamfield (GB) (Oasis Dream {GB}), who in the last two months has failed narrowly to land one of the biggest gambles in Royal Ascot's Wokingham H. in recent history before finishing a highly respectable sixth in the G1 July Cup. The dam is the G1 Pretty Polly S. and G1 Prix Jean Romanet winner Izzi Top (GB) (Pivotal {GB}), a half-sister to the G2 Prix de la Nonette scorer and G1 Prix de l'Opera runner-up Jazz Top (GB) (Danehill Dancer {Ire}).

Their half-brother Emaraaty (GB) (Dubawi {Ire}) was a 2.6million gns Tattersalls October joint-topper in 2016 and has shown useful form for John Gosden, while the third dam is the 2003 G1 Prix de l'Opera heroine Zee Zee Top (GB) (Zafonic). This is also the family of this year's Listed Feilden S. winner Mildenerger (GB) (Teofilo {Ire}) and last year's G3 Sovereign S. and G3 Rose of Lancaster S. winner Ballet Concerto (GB) (Dansili {GB}). Varian also signed the docket at 2.6million gns for a colt by Emaraaty's sire Dubawi (Ire) at Tattersalls October. Delivered to wrest the advantage from that rival with a furlong remaining, the 9-4 second favourite asserted to score by 1 1/2 lengths as they pulled away from the remainder. The dam is the Listed Lansdown S. and Listed St Hugh's S. scorer and G2 Flying Childers S. runner-up Swiss Lake, who has produced four black-type performers in the G3 Prix de Meautry and G3 Prix du Petit Couvert scorer Swiss Diva (GB) (Pivotal {GB}), MGSW-Fr, SP-Eng & Ire, \$309,079, the G3 World Trophy-winning sire Swiss Spirit (GB) (Invincible Spirit {Ire}), GSW-Eng, \$227,989, Swiss Franc (GB) (Mr. Greeley) who was placed in the G2 Coventry S., G2 Gimcrack S. and G2 July S., MGSP-Eng, \$136,002, and this filly's full-sister Swiss Dream (GB), MSW-Eng, \$167,971. DUKE OF HAZZARD (FR) (c, 2, Lope de Vega {Ire}--With Your Spirit {Fr}, by Invincible Spirit {Ire}), who was third in the June 23 Listed Chesham S. at Royal Ascot before finding the useful Federal Law (Scat Daddy) a neck too strong in a novice stakes at Salisbury July 14, travelled strongly behind the early leader. Moving smoothly to the front passing the three-furlong marker, the 11-4 second favourite was tackled and briefly headed by Sky Defender (GB) (Farhh {GB}) inside the final furlong but battled to regain the initiative and forge ahead for a half-length success. Fox Power (Ire) (Dark Angel {Ire}), the 450,000gns TATOCT purchase, was slowly away and green but stayed on encouragingly to be third, a further 2 3/4 lengths away. "Duke of Hazzard ran really well in the Chesham at Royal Ascot, before finishing second in a hot maiden at Salisbury and we thought he had come on from that run," trainer Paul Cole said. "He drew away nicely there when he was challenged and he will probably go to Deauville for a Listed event now in about two weeks. It is worth a lot of money and I think he will improve for the step up to a mile. Historically, I've won a few races in the past here at Goodwood and it's great to be back in the winner's enclosure." "All he wants to do is please you," commented McDonald, who was hit with a four-meeting suspension for causing interference to longshot Egyptian Symbol (Aus) (Stratum {Aus}) inside the final half-mile. "He's a pretty good horse that only does what he has to. He has got great acceleration, he moves like a dream. I wouldn't want it over again, hitting the lead at the furlong, that was a bit of a mistake. As a racehorse, he ticks all the boxes."

Rated by trainer and part-owner Greg Hickman as perhaps the best horse he's ever trained, Pierata posted a breakthrough success at pattern level in the G3 Vo Rogue Plate at Doomben last Dec. 30, then added to his coffers in a massive way in the restricted Magic Millions 3YO Guineas (1400m) at the Gold Coast a fortnight later.

With three of the 12 slots for the A\$13-million The Everest still open, Pierata could be scooped up for that race, but Hickman finds himself squarely on the fence.

Pierata (left) just holds off Kementari | Getty Images

"If the offer happens we will discuss it," said Hickman, "It would be nice to win \$13 million, but it would be nice to win an Epsom and other races as well."

Pedigree Notes:

A half-brother to Ashokan, an A\$810,000 Inglis Easter Yearling who won the G3 Skyline S. winner and was third in the G1 Golden Rose S., Pierata is out of a half-sister to MSP Villa Splendido (Aus) (Holy Roman Emperor {Ire}), while the deeper female family includes G1 Hong Kong Sprint hero Natural Blitz (Aus) (Maroof). November Flight is the dam the 3-year-old filly November Morning (Aus) (Dundeel {NZ}) and a yearling colt by former **'TDN Rising Star'** Rubick (Aus). She was most recently bred back to Pierro on a November cover.

D-DAY IN THE WHITNEY

Diversify led throughout in the Whitney | Sarah K Andrew

As recently as this past Monday, **'TDN Rising Star' Diversify** (Bellamy Road) was no sure thing to make the gate for Saturday's GI Whitney S., a 'Win and You're In' qualifier for the GI Breeders' Cup Classic at Churchill Downs on the first Saturday in November. But the combination of a lightning-fast five-furlong breeze July 29 and early-week bloodwork that came back clean green-lighted a start, and the 5-year-old took care of the rest, defeating fellow New York-bred **Mind Your Biscuits** (Posse) by 3 1/2 front-running lengths.

"He did too well not to run here," winning trainer Rick Violette, Jr. explained. "Everything he did said run. He ate well, he shipped up here well, he breezed well last Sunday and came out of it [breeze] good, his blood work came back well, so [I said], 'OK, stupid, stop being a chicken and run him.'"

That looks a shrewd choice in retrospect.

Drawn gate six and off at a generous mutuel, Diversify caught a flyer from the stalls and was guided down towards the inside as **Dalmore** (Colonel John), who looked likeliest to cause the favorite the most trouble on the engine, could not match motors and was forced to lay second. That he couldn't go with Diversify early on was scarcely surprising--the opening quarter was up in a slick :23.22 and the half in :46.50--over a strip rendered sloppy by a sudden electrical and rain storm that delayed the start of the Whitney by three-quarters of an hour.

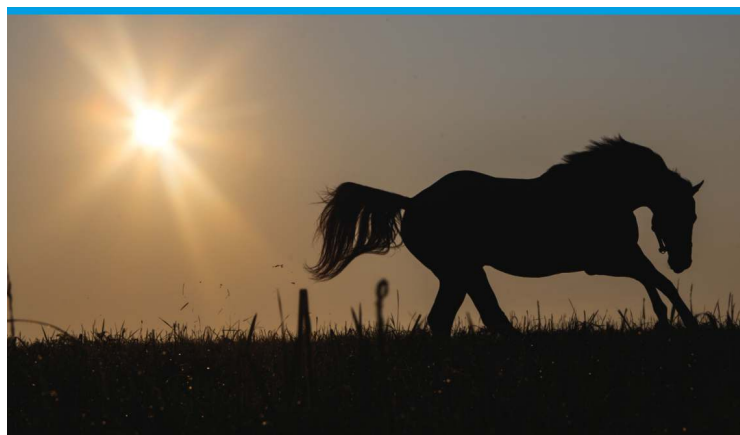

SUPER 'POWERS' IN TEST

It wasn't quite as dramatic as the 2002 renewal in which You (You and I) outbattled Carson Hollow (Carson City) the length of the Saratoga stretch, but **Separationofpowers** (Candy Ride {Arg}) completed a productive few minutes for her sire when she outfought a very stubborn **Mia Mischief** (Into Mischief) to lead home a **'TDN Rising Star'** exacta in the GI Longines Test S. at Saratoga. The typically fast-starting Mia Mischief hit the ground running and led through the opening exchanges, but she showed a bit more of a rating gear than she had previously, as she and Ricardo Santana, Jr. allowed GIII Victory Ride S. runner-up **Classy Act** (Into Mischief) to take up the running a path or two off the fence. Separationofpowers settled in fourth spot on the back of **Minit To Stardom** (Star Guitar) while racing well off the inside. Santana released the handbrakes and allowed Mia Mischief to stride into the lead entering the turn, but Separationofpowers was pulled off heels and into the clear and made rapid progress around rivals to arrive at the top of the stretch on even terms. **Cont. p4**

Whitney S. cont.

Tapwrit (Tapit), the 2017 GI Belmont S. winner, also gave chase inside of **Backyard Heaven** (Tizway) as Mind Your Biscuits--trying a distance farther than a mile for the first time in the first two-turn race of his career--settled midfield and along the inside for Joel Rosario.

Allowed to bowl along at his own speed, Diversify began to widen on the final turn and had the race salted away, for all intents and purposes, even as Mind Your Biscuits was finding his best stride to loom the only 'danger' as they entered the stretch. But as is his wont, Diversify kept finding on the engine and proved not for reeling in, as Mind Your Biscuits--in receipt of six pounds from the winner--outlasted **Discreet Lover** (Repent) for second for what is believed to be the first NY-bred exacta in a Grade I race.

"I wanted to be on the lead. He did everything right for me. He was ready," said Irad Ortiz, Jr. "I knew somebody was going to be coming, no matter what. It's a Grade I, and there's nice horses who want to win the race. He proved he could keep going. Only nice horses can do that. He was steady; he wasn't dying at the end, he'd keep trying. He did it the right way."

Chad Summers, trainer of Mind Your Biscuits, was pleased with the effort and is inclined to stretch out the 5-year-old G1 Dubai Golden Shaheen hero and GI Met Mile runner-up over even more ground.

Sarah K Andrew photo

"At this point we'll see how he comes out of it. I thought he galloped out of it really good," he said. "We'll talk to Joel and the connections, but I see no reason not to go on, to kind of move on. Obviously, you have to get one more 'Win and You're In,' to qualify and get in [for the Classic], but I think he showed up with another big effort here today, so I see no reason not to move forward."

The easy winner of the state-bred restricted Evan Shipman S.

at last year's meeting, Diversify was given a crack at the big boys in the GI Jockey Club Gold Cup and defeated Keen Ice (Curlin) by a length. Connections considered, but ultimately decided to pass the GI Breeders' Cup Classic in favor of the GI Clark H., but he faltered after setting the pace to finish fourth. The bay returned to action with a flop in the GII Charles Town Classic in April, but a confidence-restoring victory in the May 28 Commentator S.--named for the New York-bred winner of the 2005 and 2008 Whitney--led to a towering 6 1/2-length defeat of Justify's half-brother The Lieutenant (Street Sense) in the GII Suburban H. when last seen downstate July 7.

Pedigree Notes:

A \$150,000 graduate of the 2014 Fasig-Tipton Saratoga New York-Bred Sale, Diversify was hammered down for \$210,000 from the WinStar horses of racing age draft at Keeneland November in 2016 after winning his first two starts by 10 lengths combined. The lone stakes performer for his dam, Diversify is out of a half-sister to Lady Digby (Grand Slam), who did her best running on the grass, with a victory in the GIII All Along S. at Colonial Downs. Third dam Pete's Heiress, a half-sister to GSW Private Treasure, was responsible for Canadian MSP Power Phil (Philanthropist). Dam of the Kentucky-bred 3-year-old filly Charitable Link (Data Link), Rule One produced a New York-bred colt by More Than Ready this past Feb. 16. She was most recently bred to Tapit. **Cont. p4**

Longines Test S. cont. from p1

Separation of powers (left) survives the Test | Sarah K Andrew

It looked as if Separation of powers might blow the race open from there, but Mia Mischief proved very tough inside, clinging on grimly despite brushing with the eventual winner at the furlong grounds. The two raced shoulder to shoulder deep into the final sixteenth of a mile, with Separation of powers just doing the better of the two in the final 20 yards.

Accorded '**Rising Star**' status off an 11 3/4-length debut success last July, Separation of powers was only third at 3-5 in the GI Spinaway S. before bouncing back to take the GI Frizette S. by 3 1/2 lengths. Forced to sit a wide trip from gate 13 in the GI Breeders' Cup Juvenile Fillies, the bay did well to be fourth and resumed in the Victory Ride July 8, stumbling at the break before finding more traffic at the eighth pole, then finishing with gusto. **Cont. p5**

“This filly was injured after her run in the Breeders' Cup last year and had been going under a lot of rehab and patience to bring her back,” explained Chad Brown, winning the Test for the first time. “To bring her back to her race at Belmont and to have her stumble so bad out of the gate, she came back a little banged up. She grabbed her quarter, had a bunch of scratches all over her. I actually wasn't sure I'd make the Test with her. Then she came around a couple of weeks later, started breezing again, got to feel her health again, and we came back with a beautiful clean break and a good run.”

Pedigree Notes:

One of a dozen top-level winners for her sire, Separationofpowers is out of a winning daughter of MSW Lasting Code, who is also the dam of SW Fusa Code (Fusaichi Pegasus) and the Irish SP Black Hawk War (War Front). The winner's year-younger half-brother Empire of War (Declaration of War) breezed a half-mile from the gate over Saratoga's Oklahoma training track in :48.14 (13/99) July 29 and Shehadmefromhello produced a filly by Verrazano in 2017 that is consigned by Bluewater Sales as **hip 105** to Monday's opening session of the Fasig-Tipton Saratoga Sale. She was most recently bred back to Candy Ride.

CHROME'S CAST

"'Chrome' really set the stage for California's dominance in the Kentucky Derby in recent years. He really had it all...precocious, durable, had a quick turn of foot, and those are the kind of horses all trainers want in their barns."

– Phil D'Amato, a leading California trainer

"'Chrome' is a rare Kentucky Derby winner who broke his maiden in May at two and won five more Grade 1s after the Derby. This is the kind of horse the breed needs more of. I can't wait to have a California Chrome in my barn."

– Jerry Hollendorfer, Hall of Fame trainer

"'Chrome' was a serious racehorse, very athletic and that push-button type of horse we like. Our goal is to win at the highest levels, so I can assure you we will be in the mix trying to buy a good-looking one in the yearling market."

– Jack Wolf, founder of Starlight Racing

"'Chrome' was a great horse. He could handle any distance, won Grade 1s on dirt and turf, and earned over \$14,000,000... That is the kind I want to train."

Cambodia | Benoit photo

Dipping back into Grade II company after some strong efforts at the top level, Winter Quarter Farm's Cambodia sat three deep the trip, but nevertheless powered clear from her overmatched rivals to successfully defend her title in Saturday's GII Yellow Ribbon S. at Del Mar.

Away without incident from her high gate, the mare-bred in partnership by Don Robinson and his longtime friend and associate Eric Kronfeld-landed in the second flight of horses and punched the breeze from her three-wide position. Quietly ridden through the middle stages of the race by the in-form Drayden Van Dyke, Cambodia began to warm up to the task to be third nearing the stretch, kicked hard when set down and

whistled home the easiest kind of winner.

Winner of the GII John C. Mabee S. on the heels of her 3/4-length tally in this event, Cambodia was an 11-1 chance in the Nov. 4 GI Breeders' Cup Filly & Mare Turf and remained in with a chance into the final furlong before settling for third behind Wuheida (GB) (Dubawi {Ire}). A troubled fourth as the favorite in this track's GI Matriarch S. Nov. 26, she returned for a 6-year-old campaign with a sixth in the GI Jenny Wiley S. at Keeneland Apr. 14 and was most recently a close seventh in the GI Just A Game S. at Belmont Park June 9.

Pedigree Notes:

One of two winners from three to race for her dam, Cambodia is out of a daughter of SW Lonely Fact, the dam of South African champion and MGISW Overarching (Arch), the Tom Proctor-trained GSW Temeraire (Arch), SW Dead Red (Out of Place) and SW Alone At Last (Quiet American) and granddam of South African GISW Lady of the House (SAf) (Dynasty {SAf}). Overarching is kin to a 2-year-old filly by Afleet Alex, a yearling filly from the first crop of GI Breeders' Cup Mile hero Karakontie (Jpn) and a colt by Empire Maker foaled this past May 16.

RACE THEM. DON'T CHASE THEM!

Whether it was during his Eclipse Award-winning juvenile campaign, or his Triple Crown and Grand Slam year, those who raced against American Pharoah found him pretty much unbeatable.

His first crop have earned rave reviews from many of the world's best judges. Last year a weanling filly sold for \$1,000,000, in January a short yearling colt realised the same figure, while his only yearling at the JRHA Select Sale in July fetched \$1,600,000.

Don't miss them at all the major sales!

PROGRESSIVE COLT PUTS 'EM ON ICE IN WV DERBY

Mr Freeze (To Honor and Serve) continued his rapid upward trajectory with a pillar-to-post success in Saturday's GIII West Virginia Derby.

The chestnut was sent off at 9-1 for each of his first two career appearances, a debut success in a seven-furlong Keeneland maiden Apr. 20 and a half-length tally going two turns over the Churchill main track June 2. Tested for class in the July 6 Iowa Derby, he settled handy to the pace while three wide and was gaining inches late en route to a runner-up effort behind High North.

Ridden for pace this time around by Robby Albarado, Mr Freeze cleared his rivals and dropped down nearer the inside racing into the clubhouse turn. Nursed along from there, the \$75,000 Keeneland September purchase kicked further in front off the home turn and was never in any sort of danger. Draft Pick, narrowly defeated by Once On Whiskey (Bodemeister) in the GIII Los Alamitos Derby July 14, rallied late for second. Once On Whiskey sat a midpack trip, but was beaten three furlongs from home and finished a listless fifth.

Pedigree Notes:

Mr Freeze is the first graded winner for To Honor and Serve, who was recently expatriated to stand stud in Korea, where his eight winners from 15 runners include champion and million-dollar earner Cheongdam Dokki. The unraced Heavenly Cat was a hit at stud, producing three full stakes winners--two graded winners--and a stakes-placed runner from her first four foals to make the races. **Cont. p9**

Rallying into a slow pace to capture a Prairie Meadows optional claimer July 6, he was among the favorites in the closing minutes in this return to graded stakes company before being crushed down to even-money in the last flash. Those two picked up the pace on the latter half of the far turn as Matrooh rallied four deep to challenge at the top of the lane. Pedigree Notes:

Leofric is the 80th stakes winner and 35th graded stakes winner for Candy Ride (Arg), who was also represented by GI Longines Test S. heroine Separation of powers less than a half-hour later. He is the first foal out of an unraced half-sister to MGSW/GISP Multiple Choice (Mt. Lady Godiva is responsible for an unraced juvenile full-brother to the winner named Box of Chocolates, a yearling Uncle Mo colt named Candy Bar and a weanling colt by the latter sire named Classic. She was bred back to Candy Ride once more this spring.

SARATOGA SALES Q AND A WITH CONRAD BANDOROFF

At last year's Fasig-Tipton Saratoga sale, Denali Stud sold the co-sales topper, a colt by Curlin out of the Grade I winner River's Prayer, for \$1 million. The Denali team has come back with an impressive lineup for 2018, and has had some timely updates with recent graduates. The TDN sat down with 26-year old Conrad Bandoroff, a 2017 graduate of the Godolphin Flying Start program, back for his second Saratoga at his family's Denali consignment.

TDN: You're coming off a big 2017 at Saratoga. Tell us about your consignment this year.

CB: This is one of our largest select consignments that we've brought up here. We love selling at this sale. We think it's a

really good place to market and sell the horse. Our track record speaks for itself, and if you bring the right horses, you can be rewarded really nicely up here. Denali has been fortunate to sell a seven-figure horse the last three years, and two of the last three years we've had the sale topper or co-sale topper up here, and we're looking forward to another strong draft this year. We have 11 to sell, which is a strong number for us. But we kind of are playing to that market trend of quality.

We find that one important element in recruiting horses to come to Saratoga, and selecting horses to come to this sale is you really need to cater to a domestic buying bench. While there are certainly Europeans who come over for this sale, there are not as many, because it's a smaller book and there's not as much incentive to get a lot of them over here.

TDN: If you had to name a few standouts in this consignment, who would they be?

CB: One of the ones that I'm looking forward to is **hip 169**, who is a son of Into Mischief out of Azara. Azara is a half-sister to queen of the turf Tepin. It's great to have a horse that's related to a horse of her caliber, but as well as someone who has some Saratoga form. She's raced here, and she's one that's certainly is going to resonate with a lot of people.

We also have **hip 255**, a son of Uncle Mo, out of a mare called Ivana Beat Yabad. She is out of Ivanavinalot, so that makes the dam a half-sister to Songbird, nine-time Grade I winner. Obviously, Songbird was incredible. She was brilliant. She, again, kind of ticked that Saratoga box. She loved this track and some of her best days were on the Saratoga oval, so really excited to have this kind of very athletic and smooth son of Uncle Moe.

Hip 2 is a daughter of Liam's Map out of Jessica is Back. Jessica is Back is Grade I winner, and she's a gorgeous filly. She's scopey and athletic. One thing that we look at when we're selecting horses for the sale is, we have this great show ring, and we've had a lot of real estate. We love to tell people when we're pitching Saratoga, we've got the best showing area on the campus. **Cont. p12**

And so a horse with a big walk, this is a great place to sell them because they have the real estate to really showcase that. And we're excited about her. Liam's Map, there's good buzz on him. We've seen a lot of Liam's Maps that we like. Obviously he was a terrific son of Unbridled's Song for Teresa and Vinnie Viola and she's one that we're certainly excited to have up here.

Hip 240 is an American Pharoah out of Hessonite. It's the first crop of American Pharoah, and so that's certainly exciting. And this is a mare that we're very excited about. She earned over \$750,000 and was a graded stakes winner, and a hard-knocking mare, and this son of American Pharoah is just a big, strong horse. He's a beast. He's just very physically imposing and one that we're certainly excited to get off the van up here.

I'd be remiss to not mention we've got **hip 222**, a Tapit filly out of For Royalty, the dam of Constellation, so a Grade I producer. But also more than that, she's 100% stakes producer, so every foal that's gone to the track has been a stakes performer in some form or fashion. We sold the mare for November for \$2.1 million to Summer Wind, and so we're really excited to have her up here. She's a very classy daughter of Tapit, and looks a lot like the mare.

Click the button above for an interview with
Denali Stud's Conrad Bendoroff

TDN: You've had some success already from last year's sales graduates.

CB: We sold **Chocolate Kisses** (Candy Ride {Arg}) who just won at Saratoga for Mark Casse and Jack Oxley this past week, so it's great to come back to Saratoga and to have a 2-year-old winner here. That's a dream for an owner. We're bringing horses that we perceive to be Saturday afternoon horses and are hopefully going to come on for the owners and run on big days. We sold that horse for Pin Oak and obviously we're thrilled for them and we have the half-brother selling in September, a very attractive son of More Than Ready.

BM: The Saratoga Sale has a unique feel, and people have racing fresh in their mind. How does this sale set itself apart from other sales because of its location, and how is it unique?

CB: The racing provides success in the sales arena as well. On Saturday, we were represented by Tapwrit in the Whitney, who was a \$1.2-million dollar Saratoga yearling. So that buzz can carry over to the sales. The atmosphere in Saratoga is what makes this so successful. The fact that it's a night sale and it's an event, people get dressed up. And it's not too big a group of horses. It's one of the great things about bringing horses to Saratoga. It's a more relaxed environment. You have the ability to sit and talk to people and have a chat. That's great for us as consignors because it allows us to talk to the buyers and really promote the horses. They're not in such a rush that they don't have time for you to do that.

TDN: On a personal level, how has your career progressed since you've graduated from Flying Start in 2017?

CB: This is now my second year back here with Denali Stud, and the first year was great. This has always been my dream job. Anybody who knows me knows that I've always had dreams of coming back to Denali and working alongside my father and the first year was fantastic. From a business standpoint, we had a very good year with September and with our strongest November that we've ever, ever had. I'm looking forward from going to strength to strength and trying to build off of last year.

TDN: Is there anything that you have specifically learned in the Flying Start course that you think you've applied in your first two years back here?

CB: You learn so much over the course of the two years, not only from an industry and horsemanship standpoint, but just relationships and the people that you meet, and that's one of the biggest benefits to the program. But one of the things that was really unique about my Flying Start experience is I knew going into the program where I wanted to end up. Coming back to Denali was no state secret. I got to travel the world and then you get to observe some of these best practices from the leading operations the world over, so I got to look and see "well, could that work back in Kentucky?" or "why do they do that?" and "this is an interesting idea." So I came back and I had a lot of ideas to present to our team. We have a fantastic team with our farm manager Gary Bush and our yearling manager Donnie Snellings, as well as their assistants. We have a system that works really well and we're always working to improve it but I'd say from the program, getting to see some of the best practices of these world-class operations and to come back and try to apply them to Denali Stud was a great benefit.

A \$240,000 OBS April purchase--the most expensive of his sire's 20 juveniles to sell in 2017--the chestnut turned in a runner-up effort May 17 and a first-level allowance victory June 15 down the hillside course at Santa Anita, then made the majority of the running in the Oceanside, only to be run over late by longshot **Restrainedvengeance** (Hold Me Back). Calexman raced freely from a wide draw during the opening couple furlongs on that occasion and even though he's drawn more favorably this time around, he'll need to ration out his speed a little better if he is to see out the 8 1/2-furlong journey.

Restrainedvengeance, who raced with blinkers off in the Oceanside, is three pounds worse in the weights this time around with Calexman and those who decide to get in his corner will need to hope that performance was not an aberration and will have to swallow a much skinnier price this time around.

River Boyne (Ire) (Dandy Man {Ire}) is a dual stakes winner, having bested Inscom (Distorted Humor) in the Mar. 17 Pasadena S. in Arcadia and having posted a convincing success at 2-5 in the June 16 Rainbow S. In between, the dark bay was a somewhat troubled fifth as the tepid favorite in the GII American Turf S. at Churchill, but underfoot conditions were abysmal that afternoon and he gets his preferred ground here.

MAIDENS ADD INTRIGUE TO SORRENTO

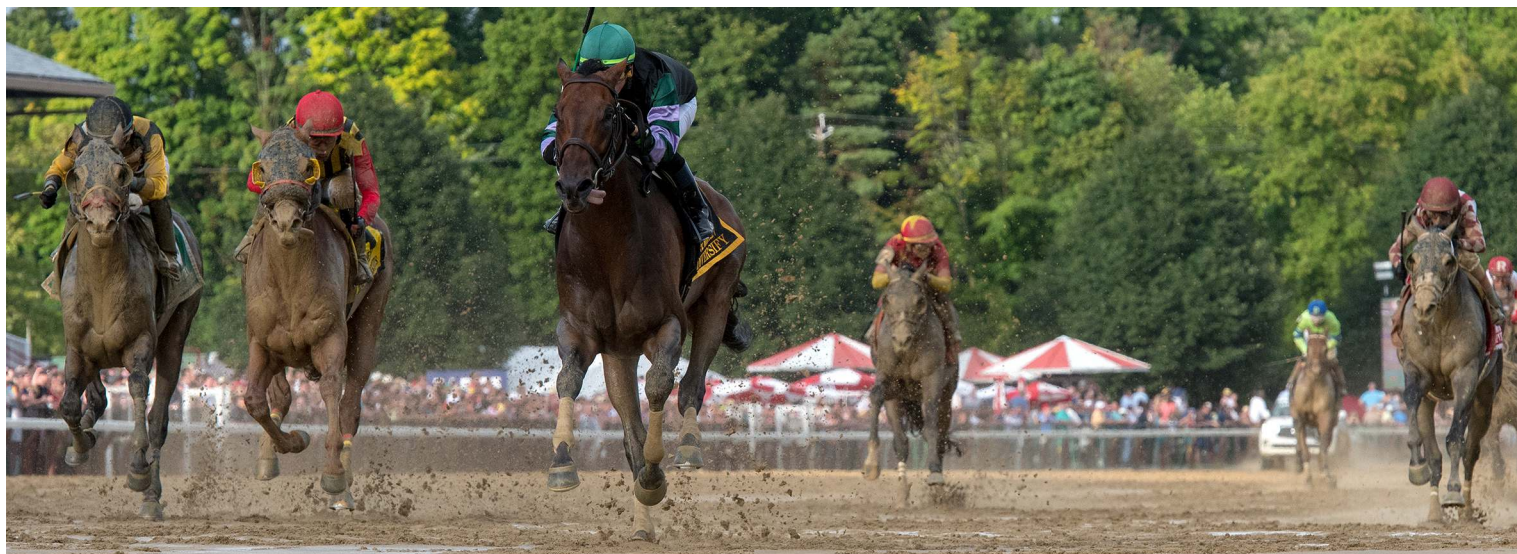

Del Mar May looks to go one better in the Sorrento | Benoit

A half-dozen of the 10 juvenile fillies signed on for Sunday's GII Sorrento S. at Del Mar were debut winners and a pair graduated at second asking, but the two runners yet to come home first are anything but misplaced and figure to take plenty of tote action.

Del Mar May (Jimmy Creed) turned in what would have been a winning debut on most occasions, but ran into a buzzsaw named Brill (Medaglia d'Oro), the \$1-million sales-topper from last year's Fasig-Tipton July Sale, who was named a '**TDN Rising Star**' for her 1 1/4-length defeat of 27-1 Del Mar May July 18. She drew widest in that field of 10 and occupies the widest barrier again Sunday afternoon, but a performance similar to her debut could equate to Sorrento success.

Bellafina (Quality Road) was hammered into 1-2 favoritism for her July 4 unveiling at Los Alamitos, but the \$800,000 Fasig-Tipton Florida breezer couldn't quite bridge the gap in the stretch and went down to a 1 1/4-length defeat at the hands of the impressive Katieleigh (Midnight Lute). Trainer Simon Callaghan elects to add blinkers to the mix and Bellafina has registered a pair of very strong breezes over the local strip since Independence Day.

Rockingham Ranch colorbearers have made their mark during the first couple of weeks at Del Mar, having made three trips to the winner's circle from eight starts. One of the more popular of those winners was **Boujie Girl** (Flashback), who validated 2-5 favoritism with a romping 3 1/2-length success in an \$80,000 maiden claimer July 26. **Cont. p15**

The final time of that race would compare favorably with that achieved by Brill, but the competition here is decidedly steeper and Drayden Van Dyke deserts in favor of Eclipse Thoroughbred Partners' fellow first-out winner **Stirred** (Shakin It Up). The latter pulled clear late to don cap and gown by 1 1/4 lengths at Santa Anita June 21 and has since recorded three five-furlong works under her belt at Del Mar.

LURE, WAYA RESCHEDULED DUE TO RAIN

The \$200,000 Fasig-Tipton GIII Waya S. and the \$100,000 Fasig-Tipton Lure S., scheduled on the turf at 1 1/2 miles and 1 1/16 miles, respectively, were slated to be the last races on the 11-race GI Whitney S. card at Saratoga Saturday, but were cancelled due to heavy rains.

The New York State Gaming Commission rules required the New York Racing Association to cancel several multi-race wagers on the Whitney card, including the NYRA Bets Late Pick 5, the Grand Slam, the late Pick 4, the late Pick 3s, and the late Daily Double.

Races one, two, and four Saturday, also carded as turf events, were moved to the main track, while race five (the \$100,000 Fasig-Tipton De La Rose S.) was transferred to the inner turf course with the rail set out at 18 feet.

The Lure was postponed to Saturday, Aug. 11, and the Waya was rescheduled for Sunday, Aug. 12.

35 PRE-ENTRIES TO ARLINGTON GRADE Is

Officials at Arlington Park announced Friday that 35 horses have been pre-entered for the GI Arlington Million, the \$600,000 GI Beverly D. S. and the \$400,000 GI Secretariat S., to be contested at the suburban Chicago oval Saturday, Aug. 11.

Trainer Chad Brown won last year's Million with '**TDN Rising Star**' Beach Patrol (Lemon Drop Kid) and while that one will not defend his title, the stable will enter the race triple handed with Grade I winner **Almanaar (GB)** (Dubawi {Ire}), **Money Multiplier** (Lookin At Lucky) and Chilean champion **Robert Bruce (Chi)** (Fast Company {Ire}). Million favoritism could fall to **Oscar Performance** (Kitten's Joy), who will look to add to his Secretariat success from 2017.

Brown has pre-entered no fewer than four turf distaffers for the Beverly D., led by GI Diana S. victrix **Sistercharlie (Ire)** (Myboycharlie {Ire}), and will be represented in the Secretariat by 'TDN Rising Star' **Analyze It** (Point of Entry).

Ten of the pre-entries are from overseas connections, four of which hail from Ballydoyle. **Athena (GB)** (Camelot {GB}), last-out upset winner of the GI Belmont Oaks, will look to become the second 3-year-old filly to succeed in the Beverly D., while **Deauville (Ire)** (Galileo {Ire}) makes the trip to the Million for the third straight season, having rounded out the triple in 2016 and 2017. **Hunting Horn (Ire)** (Camelot {GB}), one spot behind Analyze It when third in the GI Belmont Derby, and **Lucius Tiberius (Ire)** (Camelot {GB}) represent the stable in the Secretariat, a race won a record four times by trainer Aidan O'Brien.

"Both are in good form," O'Brien said of his Secretariat pair. "Hunting Horn has been in good form since his last run in America and Lucius Tiberius won at Leopardstown last time and he's in very good form, as well. The firmer ground the better. All of ours would like nice, fast ground, really."

Ryan Moore is booked to ride Deauville and Athena and one of the two Secretariat runners. All four Ballydoyle representatives fly to Chicago next Monday.

O'Brien's son Joseph is set to saddle **Ming (Ire)** (Pour Moi {Ire}), recently sold to Qatari interests, while Secretariat-winning trainer Dermot Weld has penciled in Calumet Farm's **Bandua** (The Factor) for the same race.

"I'm very happy with his work," said trainer Antonio Sano. "He galloped out very good."

Gunnevera, who was last seen finishing eighth after sustaining a foot injury during the running of the Mar. 31 G1 Dubai World Cup, was subsequently freshened in Ocala for two months to give the hoof time to heal before returning to Sano's Gulfstream Park West stable.

Winner of the GII Saratoga Special S. at two, the chestnut recorded wins in the GII Fountain of Youth S. and GIII Delta Jackpot S. early in his sophomore season before adding a victory in Gulfstream's Tangelo S. in August. He rounded out the year with a runner-up finish in the Spa's Aug. 26 GI Travers S. followed by a fifth in the GI Breeders' Cup Classic at Del Mar Nov. 4. In his 2018 bow, he ran third in Gulfstream's GI Pegasus World Cup Jan. 26.

BLAME COLT 'MUCHO' THE BEST IN RISING STAR SCORE

Mucho | Sarah K. Andrew

Claiborne Farm and Adele Dilschneider's homebred **Mucho** (Blame) proved second time's a charm with a dominant graduation in a loaded maiden special weight at Saratoga Saturday. Runner-up behind Whiskey Echo (Tiznow)--who returned to be third in the GIII Sanford S. here opening weekend--June 10 at Big Sandy, he was bet all the way down to 2-1 favoritism from a 12-1 morning-line quote in this second attempt and came away well to track a pair of dueling leaders from third through a sharp :22.11 quarter. Sidling up to the pacesetters three deep on his own power nearing the straightaway, the bay easily took charge at the top of the lane and skipped clear from there to win for fun by 9 3/4 lengths. Fullness of Time (Flatter) ran on late to nail frontrunner and \$550,000 OBSAPR purchase Justice of War (Strong Mandate) for second on the wire.

Mucho is a half-brother to Size (First Samurai), GSW, \$212,453, who produced Blame colts in both 2017 and 2018. Their dam Extent is also responsible for a yearling colt by Speightstown and a 2018 colt by Curlin. She visited Ghostzapper this spring. Mucho hails from the family of Group 1 winner Archipenko (Kingmambo); French champion and top sire Sadler's Wells (Northern Dancer); and recent Jersey Girl S. winner and GIII Victory Ride S. third-place finisher Sower (Flatter).

Tiz Breathtaking | Michael Burns

Shady Well S. cont.

Tiz Breathtaking, a debut winner going 4 1/2 furlongs over the Woodbine synthetic surface June 10, finished a troubled third before being promoted to second after a blanket finish to the July 7 My Dear S. The bay filly raced near the back of a compact field, was angled to the center of the track at the top of the lane and closed powerfully to win going away. "She's just a beautiful filly. Bill [Graham] named her and it's a pretty nice name now," said trainer Michael Doyle. "She maybe could have won her last start. She got in a little bit of trouble and, unfortunately, she wound up being third and was moved up to second, but she's done everything right from day one. Luckily, Mr. Graham bought her back as a yearling instead of selling her--lucky for me anyway and all the people around her." Graham's Windhaven Farms purchased I'm Breathtaking, carrying subsequent stakes winner Matador (Malibu Moon), for \$130,000 at the 2010 Keeneland November sale. The mare is a half-sister to multiple graded stakes winner Sapphire n' Silk (Pleasant Tap), dam of graded winner Shaniko (A.P. Indy), as well as to the dam of GI Breeders' Cup F/M Turf winner Shared Account (Pleasantly Perfect), and to graded stakes winner Golden Itiz (Tiznow). The mare produced a colt by Honor Code in 2017. With no reported foal this year, she was bred back to Tiznow. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Uni (outside) | Sarah K. Andrew

Uni overcame a troubled start to win Saturday's Fasig-Tipton De La Rose S. over the rain-softened Saratoga turf course. Striking the gate on exit, the chestnut quickly dropped to the back of the field and remained there as Pas de Soucis set early fractions of :25.50 and :50.83. Not wanting to risk getting trapped along the inside, Irad Ortiz, Jr. chose the overland route, swinging several paths wide turning for home. Closing with every stride while off the outside flank of her Group 1-winning stablemate Precieuse, Uni hooked up with that closer in the stretch and outgunned the favorite to win by a head.

"She hit the door pretty good in the first part of the race, so I let her settle and then come running on in the end," explained Ortiz, aboard last year's GII Sand's Point S. scorer. "The turf was a little soft, but the outside part of [the course] is a little better. It was pretty fair."

Trainer Chad Brown, who also annexed the day's feature race for fillies, the GI Longines Test S., was pleased with both of his charges performances. "Both horses ran great--no surprises," said Brown. "They both were training super and that I was confident that they would handle the soft ground and Uni handled it a little bit better today. They both were training very similar." **Cont. p3**

De La Rose S. cont.

Uni, winner of the Plenty of Grace S. over a mile at Aqueduct Apr. 14, shipped to California for a start for Santa Anita's May 26 GI Gamely S., but was scratched before post time because of an elevated white blood cell count.

"[Uni] has done well and, thankfully, we've been able to get her home after her illness [shipping fever] and was able to get her back feeling right again and training well. We picked this race out about three weeks ago and we said, 'She is doing well, so let's get her back started.' And, man, she ran great today."

Precieuse, victorious in her most recent start in last season's G1 Abu Dhabi Poule d'Essai des Pouliches at Deauville, was making her first U.S. start.

"[Precieuse] is off a long layoff [and she had a right to get a little tired at the end]," explained Brown. "I think she ran great and I think she has a great future in front of her too."

Unaided, who sold for \$230,000 with this filly in utero at the Keeneland November sale in 2013, foaled a colt by Maxios (GB) in 2016 and a colt by Le Havre (Ire) last season. This represents the extended family of Irish Highweight sprinter and Group 1 winner Invincible Spirit (Ire) (Green Desert). **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Getting an 89 Beyer Speed Figure there, she tacked on another half-furlong for this start. The gray broke well to sit in third just off the leaders on the outside. Coming to the top of the stretch, she was tackled by Dixie Serenade and looked like she'd be passed, but fought back and would not be denied to take down her fourth stakes win in only six starts.

The most successful foal out of her dam, Bronx Beauty has a 2-year-old full brother, My Only Sunshine, a yearling half-sister, Moneyformyhoney (Twirling Candy), and a 2018 half-brother by Bayern. Tap the Wire blew up the Santa Anita tote at 21-1 on debut back on May 5, and had been working in the interim at San Luis Rey. Pressing Lucky's Royal Flush from the two path, the homebred sidled up to that foe midway on the bend and kicked away as they straightened to score convincingly. "It's special to win at Del Mar and to win a stakes is even more special," said trainer Daniel Dunham. "I've won races here, but never a stakes. I've won a stakes before, but that was 15 years ago at Pomona. The [debut win by Tap the Wire] was one of the first baby races of the year, so we were able to give him a little time and we have pointed to this race all along. This horse is a San Luis Rey fire survivor. He was turned loose and I found him the next day in a field of a different ranch. No major burns or anything; he was lucky. He came to Del Mar and trained here, so he knows the place." The winner's unraced dam has a yearling filly named Phoenix Tears (Circumference {Ire}) and a filly foal named Mensa On Tap (Smart Bid). "He's so quick and all of the 2-year-olds are inexperienced," said winning trainer Pat McBurney as to why he sent a maiden to a stakes race. "He's pretty fast and he has some turf in his pedigree, so we thought he'd like the grass. We already knew he liked the slop from his only start when he was a good second. We just thought the timing was right for him and that it was worth a shot. When the favorite got away as badly as he did, he gave us a big head start and he could not run us down. That horse is faster than us on numbers, but we had racing luck on our side today." Mae Never No | Equi-Photo

Mae Never No was a debut winner at Belmont May 3 and took on the boys when third in the June 8 Tremont S. last time out. The prohibitive favorite jumped out to the early lead and never looked back, setting fractions of :22.33 and :45.65 and sailing clear down the stretch in a laughter. "She was ready to go and once they opened the gate, she was gone and it was game over," said winning jockey Jose Ferrer. "I was worried someone might come outside me, but she was so sharp today there was nothing to worry about. I had everything my own way and she made it look easy. I think she has a big future. She has speed, but she will also rate if you ask her to. And she's a sweetheart to ride." Hat Creek Racing purchased Sweet Shirley Mae for \$60,000 at the 2011 Keeneland September Yearling Sale and she was second in the 2012 GI Spinaway S. Breeze Easy purchased the mare, in foal to Giant's Causeway, for \$225,000 at last year's Fasig-Tipton November sale. A decisive winner in a one-mile allowance at Belmont July 7, the \$500,000 KESEP buy was favored at 3-2 to repeat in this scratched-down affair. Running off the rail in fourth of the five, the dark bay maintained that position through an opening half-mile in :46.77 and steadily advanced up the outside on the backstretch to seize control entering the far turn. Drifting out a bit in the stretch, he was guided back to the fence by Junior Alvarado and extended clear, holding off a late surge from 'TDN Rising Star' Souper Tapit (Tapit) to win by 1 3/4 lengths.
